 (Fire or Flood) within the  
 Master Association.

Welcome back everyone! November was a very busy time here at the Club. 2014 looks to be another great year for Glen Eagle. The staff has many new and exciting activities planned for your enjoyment. Get involved and let's all strive to make our community not only one of the best in Naples—also one of the friendliest.

This season will be very busy for another reason. We still have construction projects ongoing. You probably have seen some stop signage and speed humps are gone. Collier County intervened and we hope that with the cooperation of everyone it will not be necessary to replace these devices. Our roads are really crowded with all forms of activity and we certainly don't want a tragedy. *Please slow down!!!*

The golf course has never been in better condition, in my opinion. We had an open house for the new maintenance facility last month and plan another for early January. Everyone was impressed with the finished product. Special thanks to Bob Coll for his dedication and expertise as our member "clerk of the works".

Your Board of Directors wishes everyone a Merry Christmas and a Happy New Year. Enjoy family and friends.

*Life is good!*  
 Mark Yegge, *President*

The 2014 Budget was approved at the November Board of Directors' annual budget meeting. You should have received a budget summary and you may pick up the full budget in the Administration Office. Please remember that the first half of the 2014 membership fee will be on your November statement and that it is due by December 26th.

The calendar of events for this season is completed. We have an updated season calendar available for pick up from the Administration Office.

A new Florida statute enacted this year requires those interested in running for the Master Board of Directors to certify in writing to the Master Board Secretary of the homeowners association that they have read the documents, rules, and policies, and, if elected, will uphold the policies to the best of their ability, and will faithfully discharge their fiduciary duties to the members. You may also attend class for an educational certification.

With the up-coming holiday season I wish everyone a Merry Christmas and Happy New Year. Please enjoy your family and friends during this time of year. For those traveling have a safe trip.

*My door is always open,*  
 Peter Costello,  
 General Manager

*Happy Holidays!*

*The Glen Eagle staff and management would like to wish all of you a happy holiday and best wishes for a happy and healthy new year. You're the reason we are here and we appreciate your support and generosity.*

# News from the Golf Shop!

With Christmas fast approaching, don't forget those special golfers in your life. The golf shop is fully stocked with merchandise, including men's and ladies apparel, golf clubs, golf balls and numerous specialty items. Now is the time to shop for that special item. We will offer weekly and monthly specials throughout the Holiday Season for all your shopping needs.

**WEDNESDAY, DECEMBER 4<sup>TH</sup>**  
**5:30 – 7:30 p.m.**  
**GOLF PRO SHOP SALE**  
**& CHRISTMAS PARTY**

Registration will begin on December 11th for the Annual Match Play Championships. There will be both men's and women's events to sign up and participate in.

Remember, the entire club will be closed on Christmas Day (Wednesday December 25th). The Golf Shop will close early on Dec. 24th at 1:00 p.m. and all golf carts will need to be back by 3:00 p.m.

Also beginning Saturday, December 1st, we will be accepting players for the "BLOODY MARY OPEN" and Cheeseburger Buffet. This January 1st event will have a 8:30 am shotgun with the infamous "CHEESE-BURGER BUFFET" to follow immediately after golf. It will be a four-person scramble.

On behalf of Jeanne, Rex and the entire Golf Shop Department, we want to wish everyone a healthy and happy Holiday Season.

*It's a Great Day for Golf at Glen Eagle,*

Michael Raber

*PGA – Head Golf Professional*

## The Men's Golf Association

As previously reported in the Friday Flash, we have made the following changes.

Members will now be able to sign up on-line under Special Events. See Pro-Shop for details.

We will begin to "Play It Forward" and allow anyone who wants to play 18 holes from the Gold Tees with the Gold Handicap. They will play with the White Tee players in whatever event is on the schedule.

We are here to play golf and have some fun, hopefully these changes will help in both areas.

Our thanks to our Golf Pro Michael Raber he has been very helpful in setting up these changes and getting the information distributed.

*Let's Tee It Up!*

*George Giffen, President*

## GOLF TIP OF THE MONTH –

### *It's All About the Grip*

Worn-out club grips can be slick, causing your grip to slip or making you hold on too tightly.

Grips that are too large cause your hands to react too slowly to your swing. Grips that are too small cause your hands to over-react. Either way, your shot won't go straight.

The only thing between you and your golf club besides the grip is your glove. While some golfers do fine without one, having a good golf glove on hand is another way to reduce slippage and increase consistency in your shots. Most gloves are made of leather and are worn on the hand opposite the one that is dominant.

For best results in finding the proper grips or gloves stop by the Golf Shop.

**GRIP SPECIAL – SHARPRO "Tour Velvet" Grips \$6.00/Grip Regular and Midsize**

PLUS – Search our \$5.00 Grip Bargain Bin

**IN STOCK – BIONIC Gloves – 2X More durable and Extra Padding to allow you to "Loosen" you hold on the club.**

Throughout the year, the golf shop will be offering group clinics every Wednesday and Friday from 9:00 – 9:50 a.m. to help you learn more about the grip and all aspects of your game.

As always, we wish you "great golf" for 2014, and if you feel you need help, don't hesitate to come see Jeanne, Rex or Michael in the golf shop for additional help.

## FROM THE GREENS

December is here, time for family and holidays and nice weather for golf. The golf maintenance crew has a few of our annual items left to do this month like get the pine straw and the coquina out, but we are usually in pure maintenance mode right now.

You can help us out a lot and also help your golf course out by filling your divots, repairing ball marks and driving your cart carefully.

All of us here at the shop hope you have a great holiday season and a lot of fun this winter.

Remember, it's a game. It's supposed to be fun.

*As always, Lacey and I look forward to seeing you on the course.*

*Regards,*

**Steve Huffstutler, CGCS**

## Ladies 18-Hole League

Our Opening Day Golf and Luncheon on Nov. 5th started our season off with a bang! It was great to reconnect with friends we had missed during the summer. And we are looking forward to our Member/Member event which has a theme this year: "Life Is A Beach!" Members are invited to a Kick Off party at my home on Dec. 2, 4:30 – 6:30. Tropical attire is encouraged for the party and for golf the next day!! (Our Pro has approved a relaxed dress code :). The luncheon will feature a flip flop decorating contest with a prize to the person with the most creative pair.

On to the New Year when our 9 Hole friends will join us on Jan. 14th for a Step Aside Scramble and charitable event for Bosom Buddies. Plan on wearing something pink! To make our luncheon even more interesting, we will host a Fashion Show.....the latest fashions from our Pro Shop.

It has been wonderful to welcome back so many friends as our season progresses. When you return, you will receive a current handicap sticker placed on your ringer card in the Pro Shop. Don't forget we are looking for the lady with the Most Improved handicap again this year! Watch the Leader Board on our bulletin board to find the latest monthly results.

*Good luck to you all and happy hitting,*

**Diane True, President**

## 9 Hole Ladies League

The Ladies 9 Hole League has begun its new season and I want to wish everyone a superb welcome back for a new year of fun and excitement. My thanks go out to Carol Hennessey and Barbara Walters for the "Welcome Back Luncheon" put together for November 12th. It was encouraging to see so many participants enjoying a day of golf and a delicious Mexican Buffet. The food was excellent and we thank Mark and Kary and her staff for the outstanding job. The Ice Cream Sundae Bar for desert was delightful.

Kudos to Karon Hicks for the excellent work for the Invitational, "It's All In The Cards" on November 21st. The committee with Karon at the helm was one of the best Invitationals we have had at Glen Eagle. Other invited clubs were impressed by the entire event.

I would also like to thank Karon Hicks for the fabulous job she performed for the Ladies 9 Hole Golf League in my absence. I was so impressed with the accolades brought to my attention by our members. Words cannot express my appreciation for her stepping up to maintain stability for the completion of the 2012 – 2013 season. Thanks are also extended to all the helpers and the ladies who put the monthly luncheons together. By now most of you have met our new Pro, Michael Raber. If you have not, introduce yourself to him. He seems to be a great gentleman!

We now look forward to our Christmas Brunch on December 10th.

# Good Food, Fine Wines & Great Company

The Holiday Season is upon us as we roll into yet another end of a truly outstanding year at the Club. Many new faces have joined our community and we welcome any and all to join us for all Clubhouse activities.

I'm happy to let you know about a couple of new trips that we have to offer. On Thursday December 12, we will board a new trolley adventure.... **The Pub Crawl**. Be a part of the bar nightlife downtown, see some Christmas Lights along Gulf

Shore Blvd, only to find more excitement at the Mercato. This is a five-hour excursion and your \$20 covers the transportation for the evening. What a great night out and nobody has to worry about driving! Another trip is the **Murder Mystery Dinner Train**. On Sunday January 26th join us for Murder on the Railway. We will travel by motorcoach to Ft. Myers, dine on the Seminole Gulf Railway and see a great show...all for \$105 per person. At press time, I still have seven tickets remaining for **War Horse** at Barbara B. Mann on Thursday March 13th for a matinee performance. Enjoy lunch at the Club, travel to the theatre by motorcoach, and watch War Horse from the Orchestra section...all for \$115 per person.

**Santa is back for Brunch** on Sunday December 15th. He will again distribute gifts to children. If you will be attending this brunch, be sure to label your gifts with the child's first and last name. Santa will be available for pictures too from 12pm-1pm.

# Tennis Talk with Reto

Hi tennis players of Glen Eagle. The courts are at least 3 deep on **Mens Round Robin Days**, with more players to come! That's a good sign. We're still a little short in numbers on **Ladies Days**, Monday and Wednesday. So if you know some female players even if they're just beginners, please help Ginny Meyer (Ladies captain) and myself recruit them in for service!

Please know that our Round Robins are not designed for just the top tennis talents. The better players can help the weaker one's when it's their turn to play with them. And of course that's the whole reason I'm there with you in the mornings. To play in, cheer you on and give you a tip or two to improve your game. As always I'm available at rguruswami@yahoo.com, 333-1318, or my direct line 961-9777 that can receive texts. Private lessons and clinics can be set up. Or you can try one of our set clinics, Tues/Thu 6-730pm is an advanced Ladies clinic, and Wednesday night is beginner's 6-7pm.

Okay, enough of that shamefull self-promotion! Let's get to this month's tennis tip:

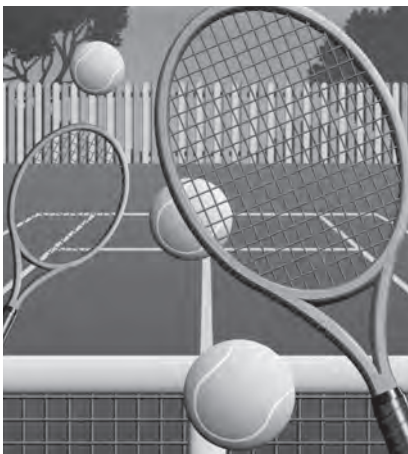

## TENNIS TIP: PLACEMENT OVER POWER

The two most popular "P" words in tennis and actually many other sports are placement and power. Which one is better?

Which one should you use? And when? Well if you get both in one shot, you're off to the races. But let's face it most of us reading this are 5.0 players or lower including myself. So even though you have that desire to hit every ball with rock solid power, it's just not the right choice. Placement then power leads to more consistent tennis. The touring pro's that you see on TV, might be able to do it for a certain "streaky" portion of their match. But they are also practicing 3-6 hours a day! In our world of tennis we should air on the side of placement 1st, and power 2nd. A good time to maybe give your shot a little extra "bang" is when your up heavily and confident in a set or match. Another good time for more "pop" on your ball is when you get that short high ball. Careful though, the ball is short so there's less court to hit into. There's so many more examples I can give you on this topic, but for that, you'll have to come see me on the courts!

*Good luck everybody, and Happy Holiday Season.*
