PRESIDENT'S MESSAGE

Welcome back! The lakes are full and everything is lush, green and beautiful. We had a very wet summer but thankfully no severe storms.

I have noticed our friends and neighbors are returning earlier than usual. Apparently, they want to get a "head start" on the fun. 2014 will be a busy and exciting year here at Glen Eagle. I encourage everyone to get involved, meet new friends and enjoy everything our community has to offer.

The new maintenance buildings are finally completed. We are a couple months behind schedule on the next phase, the fitness building next to the divot. The rain and issues with Collier County caused these delays. We are planning two "open houses" in November and January. Check the Flash for dates and times. This project truly turned out spectacular. It was the "dream" of our first BOD under the leadership of Dick Gaffney. It took six years of planning but now the finished product is in place. Dick would be very proud and pleased with this wonderful facility. Many thanks to all that had a part in this process.

Travel safe. Enjoy the Holiday Season. We look forward to 2014. It should be a great year!!!

Life is good!

Mark Yegge,
President

General Manager's Corner

The new maintenance building has received its CO and Houchin Construction has started on the new fitness center at the Divot area. This month on Thursday, November 7th from 3:00 pm to 5:00 pm we will have an open house to show you the new maintenance facility. In the meantime please don't take it upon yourself to go over for a visit as it is still a work area with equipment coming and going regularly. The new phase at the divot will require a new temporary cart path around the outer edge of the site. Once the infrastructure is completed, we will finalize the cart path route and make it permanent.

The medians on Glen Eagle Blvd in front of the clubhouse are done. Trees and bushes have been removed and new ones planted. Not only does this improve our appearance in these areas but it also provides better lighting from the street lights and better sight lines for drivers.

The calendar of events for next season is complete and we are working on the finishing details. We should have an updated season schedule in the fall. Plan to pick it up at the Administration Office in November.

The new standing committee members have been selected and their first meetings will be in the month of November. The standing committees are your spokesmen to the Board of Directors and Management. Please provide your positive thoughts and suggestions to them to help Glen Eagle continue in the direction the owner/members want.

This month we will be having the 2014 Budget meeting, please keep an eye out for the notice of the meeting and supplemental information.

See you around the club.

My door is always open,

Peter Costello, *General Manager*

News from the Golf Shop!

Hello,

My name Michael Raber and I am the new Head Golf Professional at Glen Eagle Golf & Country Club. This will be my 23rd season in the Golf Business, with stops in Central New York, Central Massachusetts and right here in SW Florida. I currently reside in Estero, FL with my wife Trisha and my two boys Nicholas (5) and Tyler (1). I have been on the job now for almost two months and the excitement I have about starting the season reminds me of my first year in the business. I am excited to meet each and every one of you and I look forward to a great golfing season.

Upcoming Events:

The "Fall Classic" & Welcome Back Party is scheduled for Saturday, November 2nd with a 12:30 p.m. shotgun. The sign-up sheet will fill up fast, so don't delay. The event is a 2-person team game with a better ball of partners on the front nine and a scramble on the back nine. Call the pro shop today to sign up. Please inform them if you plan to have anyone join you for the Welcome Back Party that is not playing golf.

The Men's 18-hole and Ladies' 9-hole & 18-hole Associations will be starting the first week of November. The Men's 9-hole, the Friday Couples and Queen of the Links will begin the second week of November.

The Golf Shop & golf course will also close early on THANKSGIVING DAY, Thurs. November 22nd. The Golf Shop will close at 1:00p.m and the golf course will close at 3:00 p.m.

WEDNESDAY, DECEMBER 4TH, 5:30 – 7:30 p.m., PRO SHOP SALE & CHRISTMAS PARTY

Cart Usage Reminder:

While out enjoying our wonderful course, please keep your golf cart off of your neighbors' property. Significant damage can occur when you take the golf cart off the golf course while searching for an errant shot. The cart should remain on the golf course and travel beyond the hazard and out-of-bounds stakes should be by foot only.

Course Closing - Overseeding:

The golf course will close on November 25th for the annual over-seeding process and re open Tuesday for a Ladies Day with a 12:00 p.m. Shotgun. Golf Shop Staff will be here from 7:00 a.m. through 1:30 p.m. on Monday. The golf shop will be inquiring at some of the nearby clubs to accommodate any of our members for that Monday and Tuesday. As a reminder, beginning Tuesday, November 26th the entire golf course will be restricted to **CART PATH ONLY**, for approximately two (2) weeks to allow for the over-seeding to grow in.

The Golf Shop & golf course will also close early on THANKSGIVING DAY, Thursday November 28th. The Golf Shop and golf course will close at 3:00 p.m

Bridgestone Ball Fitting:

Tuesday, November 22nd from 11:00 a.m. until 3:00 p.m.

The golf course will close on November 25th for the annual over-seeding process and re open Tuesday for a Ladies Day with a 12:00 p.m.

Shotgun. Golf Shop Staff will be here from 7:00 a.m. through 1:30 p.m. on Monday.

When was the last time you received something and it didn't cost you anything? Come spend 15 minutes and take the Bridgestone Challenge and find the ball that fits your game! Come compare your current golf ball to one of the many Bridgestone golf balls on the market. The Pro Shop will have informational brochures and will also be taking appointments starting November 10th. This is a **FREE** service provided by our friends from Bridgestone.

Game Improvement:

Remember, if your game is a little rusty, or needs tweaking, please come see Rex, Jeanne or myself to get your game back on track. Private lessons are available, and we will be scheduling some small group clinics covering the golf swing and the short game every Wednesday and Friday.

Congratulations!!!!

4-12-13 Mrs. Donna Butler made a Hole-In-One on Hole #6.

FROM THE GREENS

This is the time of year when we are wrapping up our off season projects and getting ready for another golf season. We were very busy this summer with the median landscaping project and getting moved into the new buildings in addition to building a new nursery green and trying to get all of our aerifications, topdressing and verticutting done in between rain storms.

It was an exceptionally wet summer as our year round residents can attest which made for some pretty poor course conditions, but we managed to keep the course open for the most part, despite the rain.

We still have a few tasks to accomplish; we will be working on the cart paths, renovating some bunkers and overseeding the golf course, trimming the palmettos and putting out the pine straw this month and the first part of December and then it will be strictly daily maintenance until April or May.

As we start spinning up for a busy season, I would like to remind you to treat the golf course like it belonged to you, because... well....it does! Fill your divots, repair your pitch marks and obey cart traffic signs.

We appreciate the opportunity to serve you and we all hope that you have a great winter season!

As always, Lacey and I look forward to seeing you on the course.

Steve Huffstutler,

CGCS Superintendent

The Men's Golf Association

We the officers of the Men's Golf Association: George Giffen, President; Vince Wepprecht, Vice President; Brad Boyle, Treasurer; and Jack Benhart, Secretary hope everyone had a safe and enjoyable summer. The ponds are full and the course is in great shape.

We have made some changes in our schedule in response to request we received from numerous members last season. It is difficult to reach that perfect balance of "Fun Games" and "Serious Golf", we welcome your comments.

The number of Blue Tee players continue to decrease and limit the number of teams we can field when playing "Fun Golf" games. As we have in the past few years, we will have them play from the "White Tee" on hole seventeen. Hopefully this will encourage more members to play the "Blue Tees".

Our season begins on November 6th with our first Member/Member. We look forward to seeing prior members and new members alike.

Let's Tee It Up!

George Giffen, President

A Warm Fitness Welcome

It's that time of year to welcome back our friends who leave for the summer. I hope everyone had a safe and healthy one.

If you haven't been working out you will have to catch up with our summer group! We had an active and fun time. Those of you interested in personal training or orientations to get started, I am available Monday, Tuesday, Wednesday and Thursday. Individual and packages available. Please call Rose Costello at 980-3352 for an appointment. If interested in classes please refer to the Fitness Schedule in the Newsletter.

Looking forward to seeing you soon!

Rose Costello, Fitness Instructor

Cribbage

LEARN

The group will get together and learn the basics of the game and start game play. Experienced players are welcome to come and help teach.

Cribbage is a card game played between two people where players score points through different card combinations. Pegs are moved along a board with a winner declared at 121 points. Cribbage is an easy game to learn the basics and involves some strategy.

PLAY

Thursdays from 3pm to 5pm in the Clubhouse. Now that we have the basics, let's play! A tournament will be designed where all players play five games. New and experienced players welcome!

LADIES 18-HOLE LEAGUE

WELCOME BACK to all of our members who are returning for the season! Please stop by the Pro Shop and introduce yourselves to our wonderful new Head Pro, Michael Raber.

We are anticipating a good turnout for our Opening Day on Nov 5th with luncheon and meeting to follow. Please make sure you receive the new 2013-14 roster and game schedule booklet from the Pro Shop when you check in. Thank you, Carol Murdock, for creating our new handbook!

This season we will have 6 luncheons with a raffle drawing at each. Look for your raffle ticket at your place setting. You may be the lucky one! After golf, don't forget to post your birdies, chip ins, eagles or holes in one and post your scores in the Ringers Box in the Pro Shop. Then you can sign up for the next Tuesday on the list in the hallway or online. Please sign up no later than Saturday so Jeanne can arrange the tee times by Sunday. Jeanne appreciates your cooperation!

Be thinking about who you would like to play with in the Member/Member event which is Dec 3rd. But, above all, have fun playing with the great ladies of our league!

I look forward to seeing you all on the course!

Diane True, President

LADIES 9-HOLE LEAGUE

The nine holers are ready to swing into a new season. Our Welcome Back Scramble with lunch is November 12th. It will be a chance to catch up and swap summer stories. Our Invitational is Thursday, November 21st with the theme "It's All In The Cards". Many nine holers helped with preparations over the summer and it is much appreciated. Please sign up for this event as it is a chance for us to show off our club. The Holiday Scramble is scheduled for December 10th - always a fun event. See you on the links.

Good Food, Fine Wines & Great Company

November marks the beginning of our annual welcoming back of our seasonal residents. A big thank you to all of our year round and summer residents for making the off season months the best ever! We did more volume in the summer months than ever before.

In September, we took a trip to Gulfstream Casino in Hallandale. Gulfstream is one of two casinos that will still offer free play and food vouchers for bus patrons. We enjoyed it, but it did have some drawbacks such as no table games; however, Gulfstream does offer horseracing. We will return to Gulfstream sometime during the first months of the new year for the live horse races. Until then

we will be headed to either the Hard Rock in Hollywood or Coconut Creek Casino on Monday November 18th. These two casinos no longer offer free play or food vouchers, but the trip will still be offered at \$30 per person for the ride. Sign up with Richard or myself as we have to have a minimum of 40 people to make the trip.

It's always a good reminder to mention the dress code policy this time of year especially around the holidays when guests enjoy the dining room. Please remember to tell your visitors to pack accordingly to avoid any embarrassment. We will not allow anyone to be served who is not in proper attire. My apologies if we miss any violators at the time, but rest assured, they will receive a letter. Also, some events offered may require a stricter dress code. Please look at the event advertisement for specifics.

Tennis Talk with Reto

Welcome back Glen Eagle tennis enthusiasts! Our year round residents managed to play through the heat of the summer in the early mornings and we watched it rain almost every evening! Now we are welcoming the cooler weather and larger windows of court time and play opportunity. We are anxious for our seasonal tennis friends to join us again for bigger round robins and more variety of players. Thanks to our maintenance staff for raking and smoothing the courts every morning. Our clay courts are in great shape and really some of the “tops” in the city.

The round robins are in full swing Monday through Saturday with Friday being our mixed doubles morning. Play is virtually free. We only ask that you bring \$1 for men’s play to pay for the balls and year end luncheon. And the ladies pay \$5 per month to cover the cost of their balls. If you’re looking for some instructional play please check the tennis display and bulletin board in the activities building for times of clinics offered. You can also call me at 333-1318 to set up a private clinic and/or private lesson(s).

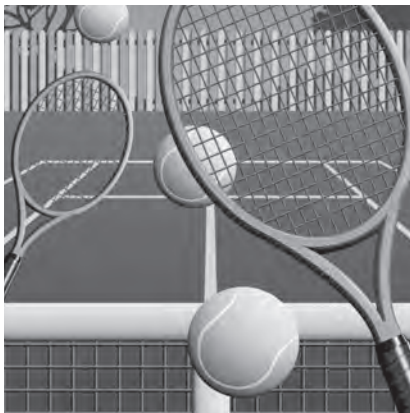

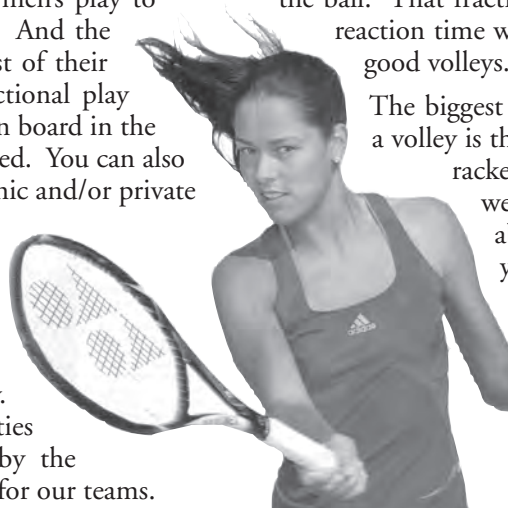

On the competitive side of Glen Eagle tennis, Ginny Meyer will be captaining our Lady Talons 3.0 CTA team this winter and the Men’s ‘B’ Team will defend their NETA title also beginning in January. I will post the match times in the activities building as well as our tennis display by the courts so that you can come out and root for our teams.

TENNIS TIP: KEEP YOUR RACKET HEAD UP ON VOLLEYS!

Too many times when I watch club players at the net, I see them with their racket heads dangling below their waists. From that starting position you are going to have to: lift, turn and punch your volleys. That’s a 3 step process. You can easily turn this action into a 2 step (quicker) process by starting with your racket head already up. So when you find yourself in a volleying position at the net. Get your hands up with your racket head well above your wrists, similar to a boxer who is protecting his face with his gloves. From this position you eliminate the “lift” step and only have to “turn & punch” at the ball. That fraction of a second that you shave off your reaction time will help your accuracy and ability to hit good volleys.

The biggest difference between a groundstroke and a volley is that on the groundies you start with your racket head below your wrist. On the volleys we need that racket head to be securely above the wrist. If you follow these steps you’ll be on your way to cool, clean, crisp volleys that shock your opponents. See you soon and good luck on the courts!
