4.19 "Primary Institutional Mortgagee" means that institutional mortgagee which, at the time a determination is made, holds first mortgages on more Units in the Condominium than any other institutional mortgagee, such determination to be made by reference to the number of Units encumbered, and not by the dollar amount of such mortgages.

9.14 **DISCLAIMER, WAIVER AND RELEASE OF CLAIMS REGARDING MOLD AND MILDEW.** Mold occurs naturally in almost all indoor environments. Mold spores may also enter

DECLARATION

Draft 5 2/09/09

the condominium Unit through open doorways, windows or a variety of other sources. The Unit Owner acknowledges that the Condominium is located in a hot, humid climate ("Florida Environment"), which is conducive to the growth of mold and/or mildew. Mold and/or mildew may be present during or after construction in the indoor air and/or on the interior surfaces of the Unit, including, but not limited to, wall cavities, windows, and /or on the exterior surfaces of the Unit or any part thereof.

- (A) What the Unit Owner Can Do. The Unit Owner can take positive steps to reduce and/or eliminate the occurrence of mold growth in and around the Unit and thereby minimize the possibility of adverse effects that may be caused by mold. The following suggestions have been compiled from the recommendations of the U.S. Environmental Protection Agency, the Consumer Product Safety Commission, the American Lung Association, and the National Association of Home Builders, among others but they are not meant to be all-inclusive.
1. Before bringing items into the Unit, check for signs of mold. Potted plants (roots and soil), furnishings, stored clothing and bedding material as well as many other household goods could already contain mold which can then be spread to other areas of the Unit.
 2. Regular vacuuming and cleaning will help reduce mold levels. Mild bleach solutions and most tile cleaners are effective in eliminating or preventing mold growth.
 3. Keep the humidity in the Unit low. Ventilate kitchens and bathrooms by opening the windows, by using exhaust fans, and/or by running air conditioning equipment to remove excess moisture in the air and to facilitate evaporation of water from wet surfaces.
 4. Raise the temperature in areas where moisture condenses on surfaces, and open doors between rooms to increase air circulation in the Unit including doors to closets.
 5. Have major appliances (e.g. furnaces, heat pumps, central air conditioners, ventilation systems, and humidifiers (inspected, cleaned and serviced regularly by a qualified professional.
 6. Clean and dry refrigerator, air-conditioner and dehumidifier drip pans and filters regularly and be certain that refrigerator and freezer doors seal properly.
 7. Inspect for condensation and leaks in and around the Unit on a regular basis. Look for discolorations or wet spots. Take notice of musty odors and any visible signs of mold.

DECLARATION

Draft 5 2/09/09

8. Fix leaky plumbing and leaks in the exterior and interior surfaces of the Unit and all other sources of moisture problems immediately.
9. Promptly clean up spills, condensation and other sources of moisture. Thoroughly dry wet surfaces and materials. Do not let water pool or stand in the Unit. Promptly replace materials that cannot be thoroughly dried such as drywall or insulation.
10. Do not let water pool or stand. If standing or excessive water is found, remove or seek professional help to remove it.
11. Perform routine visual inspections. Respond promptly upon seeing signs of moisture or mold. Thoroughly clean the affected area with a mild solution of bleach after first testing to determine if the affected material or surface is color safe. After cleaning, dry the affected surfaces completely. Porous materials such as fabric, upholstery or carpet should be discarded. Should the mold growth be severe, qualified trained professionals may be needed to assist in the remediation effort.
12. Regularly maintain the Unit. For examples, regularly caulk the windows, faucets, drains, tub and showers.

(B) **DISCLAIMER AND RELEASE OF CLAIMS.** THE ASSOCIATION SHALL NOT BE RESPONSIBLE FOR THE PREVENTION OF MOLD AND/OR MILDEW OR ANY DAMAGES, INCLUDING, BUT NOT LIMITED TO ANY SPECIAL OR CONSEQUENTIAL DAMAGES, PROPERTY DAMAGES, PERSONAL INJURY, LOSS OF INCOME, EMOTIONAL DISTRESS, DEATH, LOSS OF USE, LOSS OF INCOME, DIMINUTION OR LOSS OF VALUE OF THE UNIT, ECONOMIC DAMAGES, AND ADVERSE HEALTH EFFECTS RELATING TO, ARISING FROM OR CAUSED BY MOLD AND/OR MILDEW ACCUMULATION REGARDLESS OF THE CAUSE OF SAID MOLD/MILDEW. EACH UNIT OWNER (BY VIRTUE OF HIS OR HER ACCEPTANCE OF TITLE TO HIS OR HER UNIT) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING ANY USE OF, ANY PORTION OF THE CONDOMINIUM PROPERTY (BY VIRTUE OR ACCEPTING SUCH INTEREST OR MAKING SUCH USES) SHALL BE BOUND BY THIS PROVISION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL CLAIMS, OBLIGATIONS, DEMANDS, DAMAGES, CAUSES OF ACTION, LIABILITIES LOSSES AND EXPENSES, WHETHER NOW KNOWN OR HEREAFTER KNOWN, FORESEEN OR UNFORESEEN, THAT PURCHASER, OWNER AND INTEREST HOLDER HAS, OR MAY HAVE IN THE FUTURE, IN LAW OR IN EQUITY ARISING OUT OF, RELATING TO, OR IN ANY WAY CONNECTED WITH INDOOR AIR QUALITY, MOISTURE, OR THE GROWTH, RELEASE, DISCHARGE,

DECLARATION

Draft 5 2/09/09

**DISPERSAL OR PRESENCE OF MOLD AND/OR MILDEW OR ANY
CHEMICAL OR TOXIN SECRETED THEREFROM.**

10. **ASSESSMENTS AND LIENS:** The Association has the power to levy and collect assessments against each Unit and Unit owner in order to provide the necessary funds for proper operation and management of the Condominium and for the operation of the Association. This power includes both "regular" assessments for each Unit's share of the common expenses as set forth in the annual budget, and "special" assessments for unusual, nonrecurring or unbudgeted common expenses. The Association may also levy special charges against any individual Unit for any amounts, other than for common expenses, which are properly chargeable against such Unit under this Declaration or the Bylaws. Assessments and charges shall be levied and payment enforced as provided in the Bylaws, and as follows:

10.1 **Common Expenses.** Common expenses include the expenses of operation, maintenance, repair, replacement or insurance of the common elements and association property, the expenses of operating the Association, and any other expenses properly incurred by the Association for the Condominium, including amounts budgeted for the purpose of funding reserve accounts. The cost of water and sewer service to the Units shall be a common expense. If the Association contracts for pest control within Units or cable or master antennae television programming services in bulk for the entire Condominium, the cost of such services shall be a common expense, unless otherwise provided by the Florida Condominium Act.

10.2 **Share of Common Expenses.** The owner of each Unit shall be liable for a share of the common expenses equal to his share of ownership of the common elements and the common surplus, as set forth in Section 6.1 above.

10.3 **Ownership.** Assessments and other funds collected by or on behalf of the Association become the property of the Association; no Unit owner has the right to claim, assign or transfer any interest therein except as an appurtenance to his Unit. No owner can withdraw or receive distribution of his share of the common surplus, except as otherwise provided herein or by law.

10.4 **Who is Liable for Assessments.** The owner of each Unit, regardless of how title was acquired, is liable for all assessments or installments thereon coming due while he is the owner. Multiple owners are jointly and severally liable. Except as provided in Section 20.3 below, whenever title to a condominium parcel is transferred for any reason, the new owner is jointly and severally liable with the previous owner for all assessments which came due prior to the transfer and remain unpaid without prejudice to any right the new owner may have to recover from the previous owner any amounts paid by the new owner.

10.5 **No Waiver or Excuse from Payment.** The liability for assessments may not be avoided or abated by waiver of the use or enjoyment of any common elements, by abandonment of the Unit on which the assessments are made, or by interruption in the availability of the Unit of the common elements for any reason whatsoever. No Unit owner may be excused from payment of his share of the common expenses unless all Unit owners are likewise proportionately excused from payment, except as otherwise provided in Section 20.3 below as to certain mortgagees.

DECLARATION

Draft 5 2/09/09

10.6 Application of Payments; Failure to Pay; Interest. Assessments and installments thereon paid on or before ten (10) days after the date due shall not bear interest, but all sums not so paid shall bear interest at the highest rate allowed by law, calculated from the date due until paid. Assessments shall be deemed paid when received by the Association. The Association may also impose a late payment fee (in addition to interest) to the extent permitted by law. Assessments and installments thereon shall become due, and the Unit owner shall become liable for said assessments or installments, on the date established in the Bylaws or otherwise set by the Board of Directors for payment. Regardless of any restrictive endorsement on or accompanying a payment, all payments made by or on behalf of a Unit owner shall be applied first to interest, then to late payment fees, costs and attorney's fees, and finally to delinquent assessments. No payment by check is deemed received until the check has cleared.

10.7 Acceleration. If any special assessment or installment of a regular assessment as to a Unit becomes past due, and a Claim of Lien is recorded, the Association shall have the right to accelerate the due date of the entire unpaid balance of the Unit's assessments for that fiscal year. The due date for all accelerated amounts shall be the date the Claim of Lien was recorded in the public records. The Association's Claim of Lien shall secure payment of the entire accelerated obligation, together with interest on the entire balance, attorney's fees and costs as provided by law, and said Claim of Lien shall not be satisfied or released until all sums secured by it have been paid. The right to accelerate shall be exercised by sending to the delinquent owner a notice of the exercise, which notice shall be sent by certified or registered mail to the owner's last known address, and shall be deemed given upon mailing of the notice, postpaid. The notice may be given as part of the notice of intent to foreclose, as required by Section 718.116 of the Condominium Act, or may be sent separately.

10.8 Liens. The Association has a lien on each condominium parcel securing payment of past due assessments, including interest and attorney's fees and costs incurred by the Association incident to the collection of the assessment or enforcement of the lien, whether before, during or after a lien foreclosure suit. Except as otherwise provided by Section 718.116 F.S., the lien is effective from and shall relate back to the recording of the original Declaration of Condominium. However, as to first mortgages of record, the lien is effective from and after recording of a Claim of Lien in the Public Records of Collier County, Florida. The Claim of Lien must state the description of the condominium parcel, the name of the record owner, the amount due, the name and address of the Association, and the due dates. The lien is in effect until barred by law. The Claim of Lien secures all unpaid assessments and which may accrue subsequent to the recording of the Claim of Lien and prior to the entry of a Certificate of Title, as well as interest and all reasonable costs and attorney's fees incurred by the Association incident to the collection process. Upon full payment, the person making the payment is entitled to a satisfaction of the lien.

10.9 Priority of Lien. The Association's lien for unpaid assessments shall be subordinate and inferior to the lien of a recorded first mortgage, but only to the least extent required by the Condominium Act, as amended from time to time. The Association's lien shall be superior to, and take priority over, any other mortgage or lien regardless of when the mortgage or lien was recorded, except as otherwise expressly provided by law. Any lease of a Unit shall be subordinate and inferior to the Association's lien, regardless of when the lease was executed.

DECLARATION

Draft 5 2/09/09

10.10 Foreclosure of Lien. The Association may bring an action in its name to foreclose its lien for unpaid assessments in the manner provided in the Condominium Act, and may also bring an action to recover a money judgment for the unpaid assessments without waiving any lien rights.

10.11 Lien for Charges. There is hereby created a common law and contractual lien to secure payment of any charge for any service which the Association provides for an individual member and which is not otherwise secured by the statutory lien for common expenses. By way of example, but not limitation, a lien for charges exists to secure repayment to the Association when it must remove or reinstall Unit owner installed alterations or perform Unit owner maintenance responsibilities, or address emergency situations on behalf of a Unit owner, such as water extraction from a Unit. The lien for charges shall be of equal priority to a common expense lien and shall be foreclosed in the same manner. The lien shall also secure interest, late charges, attorney's fees and costs.

10.12 Certificate as to Assessments. Within 15 days after request by a Unit owner or mortgagee, the Association shall provide a certificate (sometimes referred to as an "estoppel letter") stating whether all assessments and other monies owed to the Association by the Unit owner with respect to the condominium have been paid.

11. MAINTENANCE: LIMITATIONS UPON ALTERATIONS AND IMPROVEMENTS: Responsibility for the protection, maintenance, repair and replacement of the condominium property, and restrictions on its alteration and improvement shall be as follows:

11.1 Association Maintenance. The Association is responsible for the protection, maintenance, repair and replacement of all common elements and association property (other than the limited common elements that are required elsewhere herein to be maintained by the Unit owner). The cost is a common expense. The Association's responsibilities include without limitation:

- (A) Electrical wiring up to the circuit breaker panel in each Unit.
- (B) Water pipes, up to but not including the individual cut-off valve serving the Unit.
- (C) Air-conditioning condensate pipe up to the point of entry into the Unit's utility room.
- (D) All installations, fixtures and equipment located within one Unit but serving another Unit, or located outside the Unit, for the furnishing of utilities to more than one Unit or the common elements.
- (E) The Association shall paint the exterior surface of the main entrance door to the Unit when the building is repainted from time to time and shall replace the door, and all exterior framing and casing (but not locksets, door knobs or other hardware) when it has been determined by the Board in its sole and exclusive discretion that the door can no longer be reasonably maintained or repaired.

- (F) Fire alarm systems and sprinkler systems installed in and serving the Common Elements.
- (G) All exterior building walls, concrete slabs and walkways.
- (H) Railings on lanais and all concrete walkways/stairways railings and ceilings.

The Association's responsibility does not include interior wall switches or receptacles, plumbing fixtures, or other electrical, plumbing or mechanical installations located within a Unit and servicing only that Unit. Except as otherwise provided in Section 11.3(D) below, all incidental damage caused to a Unit or limited common elements by work performed or ordered to be performed by the Association shall be promptly repaired by and at the expense of the Association, which shall restore the property as nearly as practical to its condition before the damage, and the cost shall be a common expense, except the Association shall not be responsible for the damage to any modification, installation, alteration or addition made by a Unit owner or his or her predecessor in title.

11.2 Unit Owner Maintenance. Each Unit owner is responsible, at his own expense, for all maintenance, repairs, and replacements of his own Unit and certain limited common elements. The owner's responsibilities include, without limitation:

- (A) Maintenance, repair and replacement of screens, windows and window glass.
- (B) The interior surface of the main entrance door to the Unit and the exterior surface of the door during periods between scheduled painting by the Association.

- (G) All air conditioning, and heating equipment, thermostats, ducts and installations serving the Unit exclusively.
- (H) Carpeting and other floor coverings in the Unit.
- (I) Door and window hardware, locks and weatherstripping.
- (J) Shower pans.

DECLARATION

- (K) Screens and screen doors. Screen doors must be white aluminum in color.
- (L) The main water supply shut-off valve for the Unit.
- (M) Other facilities or fixtures which are located or contained entirely within the Unit and serve only the Unit.
- (N) All interior, partition walls which do not form part of the boundary of the Unit.

11.3 Other Unit Owners Responsibilities. The Unit owner shall have the following responsibilities:

- (A) Lanais. Where a limited common element consists of a lanai area (a/k/a patio or porch), the Unit owner who has the right to exclusive use of the lanai shall be responsible for the day-to-day cleaning and care and painting of the interior surfaces of the walls, floor and ceiling bounding said area. Lanai walls and ceiling shall be painted the same color as the exterior walls of the Unit's building or the Unit owner may elect to paint their lanai ceiling a white or off-white color. No other color paint or painted murals are allowed on a lanai wall or ceiling. The owner shall also be responsible for any fixed glass and sliding glass doors in portions of the entrance way to said area, if any; and the wiring, electrical outlet(s) and fixture(s) thereon, if any, and the replacement of light bulbs. The Association is responsible for the maintenance, repair and replacement of all exterior walls of the building and the concrete slabs.
- (B) Interior Decorating. Each Unit owner is responsible for all decorating within his own Unit, including painting, wallpapering, paneling, floor covering, draperies, window shades, curtains, lamps and other light fixtures, and other furnishings and interior decorating. All Units shall have the floors covered with wall-to-wall carpeting. Substitute hard surface floor coverings may be used in lieu of carpeting so long as the hard surface floor covering is installed by a licensed contractor and meets a sound transmission class rating of 58 as determined by the ASTM Standard E20, E413 and E492. Materials that are equal to or exceed these standards must be used, but only with documentation that the materials meet the standards and that the contractor is qualified to install the material. No hard surface flooring shall be installed without the prior written approval of the Board of Directors. The foregoing notwithstanding, no hard flooring is allowed in bedrooms and wall to wall carpeting must be installed in all bedrooms. If any floor covering must be removed in order for the Association to perform any of its maintenance, repair or replacement responsibilities the Association shall not be responsible for any damage caused thereto or cost of replacement thereof.
- (C) Window Coverings. The covering and appearance of windows and doors whether by draperies, shades, reflective film or other items, whether installed within or outside of the

DECLARATION

Unit, visible from the exterior of the Unit, shall be subject to the rules and regulations of the Association.

- (D) Modifications and Alterations. If a Unit owner makes any modifications, alterations, installations or additions to his Unit or the common elements, the Unit owner and his successors in title shall be financially responsible for the maintenance, repair and replacement of the modifications, installations, alterations or additions, as well as the cost of repairing any damage to the common elements or other Units resulting from same, and any insurance that the owner obtains, in his discretion. Alterations, modifications, installations and additions to the Unit and common elements (including any limited common elements) must be approved by the Board of Directors. The Unit owner and his or her successor in title shall be responsible for the costs of removing and replacing or reinstalling such modifications, installations, alterations or additions if their removal by the Association becomes necessary in order to maintain, repair, replace or protect other parts of the condominium property. In the event of conflict, the provisions of this paragraph shall control over the general provisions of Section 11.1 above.
- (E) Use of Licensed and Insured Contractors; Construction Lien Law. Whenever a Unit owner contracts for maintenance, repair, replacement, alteration, addition or improvement of any portion of the Unit or common elements, whether with or without Association approval, such owner shall be deemed to have warranted to the Association and its members that his contractor(s) are properly licensed and fully insured and that the owner will be financially responsible for any resulting damage to persons or property. The Unit owner also agrees to comply with the requirements of Chapter 713, Florida Statutes and to indemnify the Association and its members from any construction liens which may attach to common elements and which are attributable to work performed by or for the benefit of the Unit owner. The Board may establish rules regarding contractor access to the condominium property including rules regarding work hours and may require a Unit owner to post a damage/cleaning deposit in advance of commencing any work.

11.4 Intentionally Left Blank.

11.5 Alteration of Units or Common Elements by Unit Owners. No owner shall make or permit the making of any material alterations or substantial additions to his Unit or the common elements, or in any manner change the exterior appearance of any portion of the Condominium, without first obtaining the written approval of the Board of Directors, which approval may be denied if the Board of Directors determines that the proposed modifications or alterations would adversely affect, or in any manner be detrimental to, the Condominium in part or in whole. Any glass, screen, curtain, blind, shutter, awning, or other modifications, additions or installations which may be installed where visible from outside the Unit, are subject to regulation by the Board of Directors. No owner may alter the landscaping of the common elements in any way without prior Board approval.

11.6 Combining Units. Nothing in this Declaration shall be construed as prohibiting the Board

DECLARATION

Draft 5 2/09/09

of Directors from authorizing the removal of the party wall between two Units in order that the Units might be used together as one integral living space. In such event, all assessments, voting rights and the share of common elements shall be calculated as such Units were originally designated on the exhibits attached to this Declaration, notwithstanding the fact that several Units are used as one, with the intent and purpose that the owner of such "combined" Units shall be treated as the owner of as many Units as have been combined.

11.7 Alterations and Additions to Common Elements and Association Property. The protection, maintenance, repair, insurance and replacement of the common elements and association property is the responsibility of the Association and the cost is a common expense. Beyond this function, the Association shall make no material alteration of, nor substantial additions to, the common elements or the real property owned by the Association costing more than \$50,000.00 in any fiscal year without prior approval of at least a majority of the total voting interests. Alterations or additions costing less than that amount may be made without membership approval. If work reasonably necessary to protect, maintain, repair, replace or insure the common elements or association property or to comply with any local, state or federal law or regulation also constitutes a material alteration or substantial addition to the common elements, no prior Unit owner approval is required.

11.8 Enforcement of Maintenance. If after reasonable notice the owner of a Unit fails to maintain the Unit or its appurtenant limited common elements as required in this Declaration, the Association shall have the right to institute legal proceedings to enforce compliance, or may take any and all other lawful actions to remedy such violation, including but not limited to, entering the Unit, with or without notice to or consent of the tenant or Unit owner, to repair, replace, or maintain any item which in the reasonable judgment of the Board of Directors may constitute a health or safety hazard to other property or residents or which has a material adverse effect on the appearance of the Condominium. Any expenses incurred by the Association in performing work within the Unit as authorized by this Declaration shall be charged to the Unit owner, together with reasonable attorney's fees and other expenses or collection, if any, which expense shall be secured by a lien against the Unit and may be foreclosed in the same manner as common expenses.

11.9 Negligence: Damage Caused by Condition in Unit or Common Elements. The owner of each Unit shall be liable for the expenses of any maintenance, repair or replacement of common elements, other Units, or personal property made necessary by his act or negligence, or by that of any member of his family or his guests, employees, agents, or tenants. Each Unit owner has a duty to maintain his Unit, any limited common element appurtenant to the Unit, and personal property therein, in such a manner as to prevent foreseeable and reasonably preventable damage to other Units, the common elements or the property of other owners and residents. If any condition, defect or malfunction, resulting from the owner's failure to perform this duty causes damage to other Units, the common elements association property or property within other Units, the owner of the offending Unit shall be liable for the damage caused by such negligence. Negligence is specifically defined, and acknowledged hereby by every owner to include but not limited to, the following occurrences: (a) failure of the Owner to replace over-age hot water tanks; (b) failure of the Owner to replace original equipment plastic or rubber washing machine and toilet hoses with reinforced flexible steel hoses; (c) failure of the Owner to replace originally installed main water shut-off valves with ball valves; (d) failure of the Owner or Unit Occupant to shut off the main water ball valve

DECLARATION

Draft 5 2/09/09

during absences for the Unit; (e) failure of the Owner of Unit Occupant to shut off power to the water heater tank at the same time when shutting off the main water valve; (f) failure of the Owner or Unit Occupant to shut off ceiling and other fans during extended absence from the Unit and (g) failure of the Unit or Unit Occupant to clean the dryer vent and vent tubing from the drier to the wall connection at least once a year. Neither Association nor any Unit owner shall be liable for any damage to the real or personal property and any improvements or betterments thereof or any injury to any person caused by water intrusion into a Unit from another Unit or the common elements resulting from rain leakage, pipe leakage, overflow, or bursting, or other similar source unless the Association, Unit owner or Unit Occupant is guilty of negligence or willful or wanton misconduct.

11.10 Association's Access to Units. The Association has an irrevocable right of access to the Units for the purposes of protecting, maintaining, repairing, and replacing the common elements or portions of a Unit to be maintained by the Association under this Declaration, and as necessary to prevent damage to one or more Units. The Association's right of access includes, without limitation, entry for purposes of pest control and preventive maintenance of safety equipment such as fire alarms and sprinkler systems as well as the right, but not the duty, to enter under circumstances where the health or safety of residents may be endangered. The exercise of the Association's rights of access to the Unit shall be accomplished with due respect for the rights of occupants to privacy and freedom from unreasonable annoyance, as well as with appropriate precautions to protect the personal property within the Unit. The Association may retain a pass-key to all Units. If it does, no Unit owner shall alter any lock, nor install a new lock, which prevents access when the Unit is unoccupied, unless the Unit owner provides the Association with a key. If the Association is not provided with a key to the Unit, the owner shall pay all costs incurred by the Association in gaining entrance to his Unit, and also shall be responsible for any damage done to his Unit in gaining entrance thereto, and shall also be liable for any damage resulting from delay in gaining entrance to his Unit caused by the unavailability of a key.

11.11 High Risk Components, Inspection, Maintenance, Repair & Replacement.

(A) Board Designation of High-Risk Components. The Board may, from time to time, after notice to members and an opportunity for member comment, determine that certain portions of the Members' Units (the "Units") required to be maintained by the Members, or certain objects or appliances within the Units, pose a particular risk of damage to other Units and to the Common Elements if they are not properly inspected, maintained, repaired, or replaced. By way of example but not limitation these portions, objects, or appliances might include smoke detectors, dryer vents, water valves and water heaters. Those items determined by the Board to pose such a particular risk are referred to as "High-Risk Components."

(B) Requirements for Care of High-Risk Components. At the same time that it designates a High-Risk Component, or at a later time, the Board may require one or more of the following with regard to the High-Risk Component:

1. That it be inspected at specified intervals by a representative of the Association or

DECLARATION

Draft 5 2/09/09

by an inspector or inspectors designated by the Board.

2. That it be replaced or repaired at specified intervals, or with reference to manufacturers' warranties, whether or not the individual component is deteriorated or defective.
 3. That it be replaced or repaired with items or components meeting particular standards or specifications established by the Board.
 4. That when it is repaired or replaced, the installation includes additional components of installations specified by the Board.
 5. That it be replaced or repaired by contractors having particular licenses, training, or professional certification or by contractors approved by the Board.
 6. If the replacement or repair is completed by a Member, that it be inspected by a person designated by the Board.
- (C) Member Responsibility for High-Risk Components. The imposition of requirements by the Board under Section (B) above shall not relieve a Member of his or her obligations regarding High-Risk Components, including but not limited to the obligation to perform and pay for maintenance, repairs and replacement.
- (D) Board Authority to Enforce Member Obligations. If any Member fails to maintain, repair, or replace a High-Risk Component in accordance with the requirements established by the Board hereunder, the Association may, in addition to any other rights and powers granted to it under the governing documents and state law:
1. Fine the Member or the occupant of the Unit, or both;
 2. Enter the Unit for the purpose of inspecting, repairing, maintaining, or replacing the High-Risk Component, as the case may be, and charge the cost to the Member as a common expense attributable to the Unit; and
 3. Bring an action against the Member for specific performance of the Member's obligations hereunder.

11.12 Pest Control. The Association may supply pest control within Units with the cost thereof being part of the common expenses. It is the responsibility of each Owner to contact the pest control company directly for problems or service with their Unit.

11.13 Board Approval of Alterations or Construction. In all cases in which the Board must approve construction in or alterations to a Unit or the common elements requested by a Unit owner, the Unit

DECLARATION

Draft 5 2/09/09

owner shall provide the Board with not less than thirty (30) days written notice of the Unit owner's intention, together with plans and specifications indicating the proposed construction. The Board shall indicate its approval or disapproval of the proposed construction in writing within thirty (30) days of receipt of the notice and all required plans. The Board reserves the right to consult with a licensed Florida architect or professional engineer and to pass such costs on to the Unit owner and to require that any plans and specifications be prepared by a licensed Florida architect or engineer. The Board may extend the time in which it must render its decision by an additional thirty (30) days in the event it determines a licensed Florida architect's or professional engineer's review is necessary.

11.14 Hurricane Shutters. Notwithstanding any provision set forth herein to the contrary, the Board of Directors shall approve a unit owner's request to install hurricane shutters that meet all minimum legal standards and are in compliance with the latest published building codes and regulations adopted by the State of Florida and Collier County. The approved color of all hurricane shutters shall be either white or off white, or clear (transparent). The Unit owners shall be responsible for purchasing, installing, maintaining, repairing and replacing the hurricane shutters and the cost thereof shall be an individual expense. After receiving approval from the Board of Directors, owners must also obtain the approval of the Architectural Review Committee of the Master Association and comply with all requirements thereof before installing the hurricane shutters.

12. USE RESTRICTIONS: The use of the condominium property shall be in accordance with the following provisions:

12.1 Units. Each Unit shall be occupied by only one family, its servants and guests, as a residence and for no other purpose. No business or commercial activity shall be conducted in or from any Unit. The use of a Unit as a public lodging establishment or as part of a fractional ownership or vacation club program shall be deemed a business or commercial use and is prohibited. This restriction shall not be construed to prohibit any owner from maintaining a personal or professional library, from keeping his personal, business or professional records in his Unit, or from handling his personal, business or professional telephone calls or written correspondence in and from his Unit. Such uses are expressly declared customarily incidental to residential use. Notwithstanding anything to the contrary contained herein or elsewhere, all occupants not approved as part of an existing lease or the conveyance of the Unit to the present owner must be approved as provided in Sections 13 and 14 below regardless of whether or not the new occupant shall be added to the lease or obtain an ownership interest in the Unit.

12.2 Occupancy in Absence of Owner. If the owner and his family who permanently reside with him are absent, and are not occupying it, and the Unit has not been leased, the owner may permit his Unit to be occupied by his guests only in accordance with the following:

- (A) Any person related to a Unit Owner within the first degree by blood, adoption or marriage, and those persons' spouse and members of their family related within the first degree by blood, adoption or marriage, if any, may occupy the Unit in the absence of the owner for a period not to exceed thirty (30) days. The number of occasions for this type of guest occupancy shall be limited to four (4) times in any calendar year.

DECLARATION

Draft 5 2/09/09

- (B) House guests not included within 12.2(A) are permitted only with the proviso that the family consist of no more than four (4) persons. Such guests may stay only two (2) weeks and the number of occasions for this type of guest occupancy in any Unit shall be limited to three (3) in any calendar year.
- (C) All overnight guests who are not accompanied by Unit owners must be registered with the Association office and authorized by written instructions from the owner to avoid having their presence challenged by other owners, security, or management. The owner shall submit the names of all houseguests and the length of their stay in writing to the management office in advance.

12.3 Exceptions. Upon prior written application by the Unit owner, the Board of Directors may make such limited exceptions to the foregoing restrictions as may be deemed appropriate in the discretion of the Board, for the sole purpose of avoiding undue hardship or inequity.

12.4 Occupancy When Owner is Present. There is no restriction on the number of guests, whether related or unrelated to the owner, who may occupy the Unit in the presence of the Unit owner with the exception of any municipal regulations governing occupancy.

12.5 Minors. All occupants under eighteen (18) years of age shall be supervised by an adult to insure that they do not become a source of unreasonable annoyance to other residents.

12.6 Pets/Animals. The keeping of animals or pets is a privilege not a right. Except for the following all other animals or pets are prohibited. An Owner may keep one (1) normal, domesticated household dog or one (1) normal, domesticated household cat weighing thirty (30) pounds or less at maturity and no more than two (2) birds and tropical fish in reasonable numbers, not being kept or raised for commercial purposes in their Unit with following conditions:

- (A) No pets shall be permitted in the pool area, leashed or unleashed.
- (B) Elsewhere on the common elements pets will be under handheld leash or carried at all times.
- (C) Messes made by pets shall be removed by owners or handlers immediately. The directors will designate the portions of the property that will be used to accommodate the reasonable requirements of Unit owners who keep pet.
- (D) Pets that are vicious, noisy, or otherwise unpleasant will not be permitted in the condominium. In the event that a pet has, in the sole opinion of the board of directors, become a nuisance or an unreasonable disturbance, written notice will be given to the owner or other person responsible for the pet, and the pet shall be removed from the condominium property within three (3) days.

DECLARATION

Draft 5 2/09/09

- (E) Owners may not leave pets unattended in screened porches or on balconies where their noise may bother others.
- (F) Guests and tenants are not permitted to have pets.
- (G) Any Unit owner or other resident who keeps or maintains any pet shall, in exchange for and in consideration of the privilege to keep the pet, hereby indemnify and hold the Association and each Unit Owner free and harmless from any loss, claim or liability of any kind or character of whatever nature arising from or related to the keeping or maintaining of such pet in the Condominium.
- (H) The Board of Directors has the authority and discretion to make exceptions to the limitations in this regulation, except 12.6(G), in individual cases and to impose conditions concerning the exceptions. The granting of exceptions shall not be deemed to be a waiver of the right to enforce the restrictions in other cases.

12.7 Parking: Prohibited Vehicles. No motor vehicle shall be parked on the condominium property except in such areas intended for that purpose. Trucks, trailers, boats, recreational vehicles, motor homes, campers, motorcycles, mo-peds and scooters, disabled vehicles, vehicles with missing vehicle body parts and commercial vehicles of whatever type, other than service vehicles temporarily present on business, shall not be parked on the condominium property. For the purpose of the foregoing sentence, the term "trucks" shall mean all types of vehicles identified or commonly referred to as a truck, including but not limited to pick-up trucks, but does not mean sport utility vehicles (SUV's). Hybrid SUV/truck type vehicles (i.e. Cadillac Escalade, Chevrolet Avalanche etc.) that can be converted from an SUV into a pick-up truck may only be parked on the condominium property when in the SUV mode. A truck with a camper shell or topper shall not be considered an SUV. Commercial vehicle as used herein means any vehicle that displays any signage, tools or equipment which is of a commercial nature or any vehicle, with or without signage, tools or equipment that is primarily designed to be used for commercial purposes.

12.8 Nuisances. No owner shall use his Unit, or permit it to be used, in any manner which constitutes or causes an unreasonable amount of annoyance or nuisance to the occupant of another Unit, or which would not be consistent with the maintenance of the highest standards for a first class residential condominium, nor permit the premises to be used in a disorderly or unlawful way. The use of each Unit shall be consistent with existing laws and the condominium documents, and occupants shall at all times conduct themselves in a peaceful and orderly manner.

12.9 Signs. No person may post or display "For Sale", "For Rent", "Open House", other similar signs or any other signs of whatever type anywhere on the condominium property, including but not limited to posting or placing a sign in a Unit window, in or on a vehicle on condominium property or on a lanai.

12.10 Use of Common Elements. Common hallways, stairways and other common elements shall not be obstructed, littered, defaced or misused in any manner. Balconies, terraces, porches, walkways and

DECLARATION

Draft 5 2/09/09

stairways shall be used only for the purposes intended, and they shall not be used for hanging or drying clothing, for outdoor cooking, for cleaning of rugs or other household items, or for storage of bicycles or other personal property.

12.11 Emergency Powers and Use Restrictions; Board Authority. In addition to Board authority granted by law and the governing documents, during and after a time of emergency as defined in the Bylaws, the Board shall have the following power and authority but not the duty or obligation:

- (A) To determine after a casualty whether the Units can be safely occupied, which decision shall not be conclusive as to the determination of habitability in Section 16 below.
- (B) To declare any portion of the Condominium Property unavailable for occupation by owners, tenants, or guests after casualty, including during the rebuilding process. Such decision by the Board shall be made only if necessary to protect the health, safety, or welfare of the Association, owners, tenants or guests.

The foregoing power and authority notwithstanding the Association, and its Directors, Officers, agents and assigns shall not be liable for failing to exercise said power and authority.

13. **LEASING OF UNITS:** In order to foster a stable residential community and prevent a motel-like atmosphere, the leasing of Units by their owners shall be restricted as provided in this section. All leases or Units must be in writing. A Unit owner may lease only his entire Unit, and then only in accordance with this Section, after receiving the approval of the Association. The lessee must be a natural person as opposed to an artificial entity such as a corporation, partnership, trust, etc. The following also applies to any new occupant of a Unit that was not approved under the existing lease of the Unit.

13.1 **Procedures.**

- (A) **Notice by the Unit Owner.** An owner intending to lease his Unit shall give to the Board of Directors or its designee written notice of such intention at least 20 days prior to the first day of occupancy under the lease together with the name and address of the proposed lessee, a fully executed copy of the proposed lease, and such other information as the Board may reasonably require. The Board may require a personal interview with any lessee and his spouse, if any, as a pre-condition to approval. The applicant must sign for having received and read copies of the rules and regulations of the Association.
- (B) **Board Action.** After the required notice and all information or interviews requested have been provided, the Board shall have 20 days in which to approve or disapprove the proposed lease. If the Board neither approves nor disapproves within that time, its failure to act shall be deemed the equivalent of approval, and on demand the Board shall issue a written letter of approval to the lessee.
- (C) **Disapproval.** A proposed lease shall be disapproved only if a majority of the whole Board so votes, and in such case the lease shall not be made. Appropriate grounds for disapproval shall include, but not be limited to, the following:
1. the Unit owner is delinquent in the payment of assessments at the time the application is considered;
 2. the Unit owner has a history of leasing his Unit without obtaining approval, or leasing to troublesome lessees and/or refusing to control or accept responsibility for the occupancy of his Unit;

proposed occupants intend to conduct themselves in a manner inconsistent with the covenants and restrictions applicable to the Condominium;

5. the prospective lessee or any of the proposed occupants have been convicted of a felony involving violence to persons or property, a felony involving sale or possession of a controlled substance, or a felony demonstrating dishonesty or moral turpitude;
 6. the prospective lessee or any of the proposed occupants have a history of conduct which evidences disregard for the rights and property of others.
 7. the prospective lessee evidences a strong possibility of financial irresponsibility;
 8. the lessee or any of the proposed occupants, during previous occupancy, have evidenced an attitude of disregard for the Association rules;
 9. the prospective lessee or any of the proposed occupants give false or incomplete information to the Board as part of the application procedure, or the required transfer fees and/or security deposit is not paid.
 10. the owner fails to give proper notice of his intention to lease his Unit to the Board of Directors.
- (D) Failure to Give Notice or Obtain Approval. If proper notice is not given, the Board at its election may approve or disapprove the lease. Any lease entered into without approval may, at the option of the Board, be treated as a nullity, and the Board shall have the power to evict the lessee without securing consent to such eviction from the Unit owner.
- (E) Applications: Assessments. Applications for authority to lease shall be made to the Board of Directors on such forms and include such terms as the Board may provide from time to time. The legal responsibility for paying condominium assessments may not be delegated to the lessee.

13.2 Term of Lease and Frequency of Leasing. No Unit may be leased for a period of less than thirty (30) consecutive days. No Unit may be leased for a period of more than one (1) year. No Unit may be leased more often than four (4) times in any calendar year. No new lease may begin until at least 30 days have elapsed since the first day of the last lease. For purposes of these restrictions, the first day of occupancy under the lease shall conclusively determine in which year the lease occurs. No option for the lessee to extend or renew the lease for any additional period shall be permitted. However, the Board may in its discretion approve the same lease from year to year. No subleasing or assignment of lease rights by the lessee or Unit owner is allowed.

13.3 Exceptions. Upon written request of a Unit owner, the Board of Directors may approve

DECLARATION

Draft 5 2/09/09

one additional lease of the Unit within the same calendar year, but only under unusual circumstances to avoid undue hardship or inequity. The Board shall have the sole and exclusive discretion to determine whether or not to allow an exception and may place conditions and restrictions on the granting of the exception. The granting of an exception shall not be deemed to create a precedent under which the Board must allow future exception to the same or other owners.

13.4 Occupancy During Lease Term.

- (A) When a Unit has been leased, the Unit may be occupied by the lessee and his family, as the term "family" is defined in Section 4.8, above.
- (B) When a Unit has been leased, no one but the lessee and that person's spouse, if any, and their natural or adopted children, if any, may occupy the Unit during the term of the lease.
- (C) Guests may occupy leased Units when the lessee is in residence. The total number of house guests in a leased Unit is limited to two (2) persons. Such guests may stay for a period not to exceed ten (10) days, and the number of occasions for this type of guest occupancy shall be limited to once during the lease term.

13.5 Occupancy in Absence of Lessee. If a lessee absents himself from the Unit for any period of time during the lease term, his family authorized to occupy the Unit by Section 13.4 above who are already in residence may continue to occupy the Unit but may not have house guests. If the lessee and all of the family members mentioned in the foregoing sentence are absent, no other person may occupy the Unit.

13.6 Use of Common Elements and Association Property. To prevent overtaxing the facilities, a Unit owner whose Unit is leased may not use the recreation or parking facilities during the lease term.

13.7 Regulation by Association. All of the provisions of the condominium documents and the rules and regulations of the Association shall be applicable and enforceable against any person occupying a Unit as a lessee or guest to the same extent as against the owner. A covenant on the part of each occupant to abide by the rules and regulations of the Association and the provisions of the condominium documents, designating the Association as the owner's agent with the authority to terminate any lease agreement and evict the tenants in the event of breach of such covenant, shall be deemed to be included in every lease agreement, whether oral or written, and whether specifically expressed in such agreement or not.

13.8 Fees and Deposits for the Lease of Units. Whenever herein the Board's approval is required to allow the lease of a Unit, the Association may charge the owner a preset fee for processing the application, such fee not to exceed the maximum amount allowed by law. No fee may be charged for approval of a renewal or extension of a lease with the same lessee. The Association may also require any security deposits that are authorized by the Condominium Act as amended from time to time which security deposit shall protect against damage to the common elements or association property. Handling of the security deposit and claims against the security deposit shall be in accordance with the Act, as the same may be amended from time to time. A separate fee may charged for each person who is intending to occupy the

DECLARATION

Draft 5 2/09/09

Unit under the lease except that only a single fee may be charged to a husband and wife and no extra fee may be charged for minor children.

13.9 Unapproved Leases. Any lease of a Unit not approved pursuant to this Section 13 shall be void and unenforceable unless subsequently approved by the Board.

13.10 Collateral Assignment of Rents. In the event a Unit Owner is in default in payment of assessments for common expenses, the Association shall have the authority to collect rents directly from the Unit Owner's tenant. Such rental payments shall be collected in accordance with the procedures established by the Board of Directors and applied in accordance with section 10.6 of this Declaration until all past due amounts are paid in full. In the event such tenant fails to remit said rents directly to the Association within seven (7) days (but no later than the day the next rental payment is due) from the day the Association notified such tenant in writing that the rents must be remitted directly to the Association, the Association shall have the right to terminate the lease and evict the tenant. For the purpose of such eviction, the Association shall be deemed to be an agent of the landlord.

14. TRANSFER OF OWNERSHIP OF UNITS: In order to maintain a community of congenial, financially responsible residents with the objectives of protecting the value of the Units, inhibiting transiency, preventing fractional or vacation club type ownership and facilitating the development of a stable, quiet community and enhancing peace of mind for all residents, the transfer of ownership of a Unit shall be subject to the following provisions: **NOTE:** Any person who was not approved as part of the conveyance to the present Unit Owner must be approved in advance of taking occupancy as provided herein, and for good cause may be disapproved, regardless of whether or not said person shall be obtaining an ownership interest in the Unit.

14.1 Forms of Ownership:

- (A) Individual. A Unit may be owned by one natural person who has qualified and been approved as elsewhere provided herein.
- (B) Co-Ownership. Co-ownership of Units is permitted. If the co-owners are to be other than husband and wife, the Board shall condition its approval upon the designation by the proposed new owners of one (1) natural person as "primary occupant". The use of the Unit by other persons shall be as if the primary occupant were the only actual owner. Any subsequent change in the primary occupant shall be treated as a transfer of ownership by sale or gift subject to the provisions of this Section 14. No more than one such change will be approved in any 12 month period. The intent of this provision is to allow flexibility in estate, financial or tax planning, and to prohibit circumstances in which the Unit may be used as short-term transient accommodations for several individuals or families or in the manner of fractional or vacation club type ownership.

DECLARATION

Draft 5 2/09/09

- (C) Ownership by Corporations, Partnerships or Trusts. A Unit may be owned in trust, or by a corporation, partnership or other entity which is not a natural person, if approved in the manner provided elsewhere herein. The intent of this provision is to allow flexibility in estate, financial or tax planning, and to prohibit circumstances in which the Unit may be used as short-term transient accommodations for several individuals or families or in the manner of fractional or vacation club type ownership. The approval of a trust, or corporation, partnership or other entity as a Unit owner shall be conditioned upon designation by the owner of not more than one (1) natural person to be the "primary occupant". The use of the Unit by other persons shall be as if the primary occupant were the only actual owner. Any subsequent change in the primary occupants shall be treated as a transfer of ownership by sale or gift subject to the provisions of this Section 14. No more than one such change will be approved in any 12 month period.
- (D) Designation of Primary Occupant. If any Unit owner fails to designate a primary occupant when required to do so, the Board of Directors may make the initial designation for the owner, and shall notify the owner in writing of its action.
- (E) Life Estate. A Unit may be subject to a life estate, either by operation of law or by a voluntary conveyance approved under Section 14.2 below. In that event, the life tenant shall be the only Association member from such Unit, and occupancy of the Unit shall be as if the life tenant was the only owner. Upon termination of the life estate, the holders of the remainder interest shall have no occupancy rights unless separately approved by the Association. The life tenant shall be liable for all assessments and charges against the Unit. Any consent or approval required of association members may be given by the life tenant alone, and the consent or approval of the holders of the remainder interest shall not be required. If there is more than one life tenant, they shall be treated as co-owners for purposes of determining voting and occupancy rights under Section 14.1(B), above.
- 14.2 Transfers.
- (A) Sale or Gift. No Unit owner may transfer a Unit or any ownership interest in a Unit by sale or gift (including agreement for deed) without prior written approval of the Board of Directors.
- (B) Devise or Inheritance. If any Unit owner acquires his title by devise or inheritance, his right to occupy or use the Unit shall be subject to the approval of the Board of Directors under Section 14.3(A)(2) below. The approval shall not be denied to any devise or heir who was the prior owner's lawful spouse at the time of death, or was related to the owner by blood or adoption within the first degree.
- (C) Other Transfers. If any person acquires title in any manner not considered in the foregoing subsections, that person shall have no right to occupy or use the Unit before being approved by the Board of Directors under the procedures outlined in Section 14.3 below.

DECLARATION

Draft 5 2/09/09

- (D) To facilitate transfers proposed during times when many of its members are not in residence, the Board of Directors may by resolution delegate its approval powers to an ad hoc committee, which shall consist of at least three (3) Unit owners, or to the President, Vice President or Treasurer, any of whom may be deemed a Vice President for purposes of executing a Certificate of Approval.

14.3 Procedures.

(A) Notice to Association.

1. Sale or Gift. An owner intending to make a sale or gift of his Unit or any interest therein shall give to the Board of Directors or its designee written notice of such intention at least twenty (20) days before the intended closing date, together with the name and address of the proposed purchaser or donee, a copy of the executed sales contract, if any, and such other information as the Board may reasonably require. The Board may require a personal interview with any purchaser or donee and his spouse, if any, as a pre-condition to approval.
2. Devise, Inheritance or Other Transfers. The transferee must notify the Board of Directors of his ownership and submit a certified copy of the instrument evidencing his ownership and such other information as the Board may reasonably require. The transferee shall have no occupancy or use rights until and unless approved by the Board, but may lease or sell the Unit following the procedures in this Section 13 or Section 14 as applicable.
3. Demand. With the notice required in Subsection (A)(1) above, the owner or transferee seeking approval may make a written demand that if the transfer is disapproved without good cause, the Association shall furnish an approved alternate purchaser who shall purchase the Unit at the same price and upon substantially the same terms as in the disapproved sales contract, or if no contract is involved, for the fair market value of the Unit determined as provided below.
4. Failure to Give Notice. If no notice is given, the Board of Directors, at its election may approve or disapprove at the time it learns of the transfer. If any owner fails to obtain the Association's approval prior to selling an interest in a Unit, such failure shall create a rebuttable presumption that the seller and the purchaser intend to violate the covenants of this Declaration, and shall constitute good cause for Association disapproval.

- (B) Board Action. Within 20 days after receipt of the required notice and all information or interview requested, or not later than 60 days after the notice required by paragraph 14.3 (A) 1 or 2 above is received, whichever occurs first, the Board shall approve or disapprove

DECLARATION

the transfer. If a transfer is approved, the approval shall be stated in a Certificate of Approval executed by the President or Vice-President of the Association in recordable form and delivered to the transferee. If the Board neither approves nor disapproves within the time limits as set forth above, such failure to act shall be deemed the equivalent of approval and on demand the Board shall issue a Certificate of Approval to the transferee.

(C) Disapproval.

1. With Good Cause. Approval of the Association shall be withheld for good cause only if a majority of the whole Board so votes. Only the following may be deemed to constitute good cause for disapproval:

 - (b) The person seeking approval has a record of financial irresponsibility, including without limitation prior bankruptcies, foreclosures or bad debts;
 - (c) The application on its face gives the Board reasonable cause to believe that the applicant intends to conduct himself in a manner inconsistent with the covenants and restrictions applicable to the Condominium;
 - (d) The person seeking approval, their spouse or any other proposed occupant has a history of disruptive behavior or disregard for the rights or property of others;
 - (e) The person seeking approval, their spouse or any other proposed occupant has evidenced an attitude of disregard for association rules by his conduct in this Condominium as a tenant, Unit owner or occupant of a Unit;
 - (f) The person seeking approval, their spouse or any other proposed occupant has failed to provide the information, fees or interviews required to process the application in a timely manner, or provided false information during the application process.

DECLARATION

Draft 5 2/09/09

2. Without Good Cause. The Association's approval shall not be denied unless a majority of the whole Board so votes. If the Board disapproves without good cause, and if the owner or transferee has made the demand set forth in Section 14.3(A)(3), then within thirty (30) days after the Board meeting at which the disapproval took place, the Board shall deliver in writing to the owner the name of an approved purchaser(which may be the Association) who will purchase the Unit at the same price, and upon substantially the same terms, as in the disapproved sales contract. If no sales contract was involved, or if the Association challenges the contract price as not being a good faith purchase price, then the purchase price shall be paid in cash, and the price to be paid shall be determined by agreement, or in the absence of agreement, shall be the fair market value determined by the arithmetic average of appraisals by two state-certified property appraisers, one selected by the owner and the other by the Association. The cost of the appraisals, and all other closing costs in cases where no sales contract is involved, shall be shared equally by the purchaser and selling owner, except that the purchaser shall pay for his own title insurance, and all costs of mortgage financing. Real property taxes and condominium assessments shall be prorated to the day of closing and the parties shall bear their own attorneys fees, if any. The closing shall take place not longer than sixty (60) days after the date of Board disapproval or thirty (30) days after determination of fair market value by appraisal, whichever occurs last. Failure or refusal to close by either party shall constitute a breach of contract and shall entitle the other party to seek specific performance or damages.
3. If the Board fails to deliver the name of the approved purchaser within thirty (30) days as required above, then the original proposed purchaser shall be deemed to be approved, despite the Board's former disapproval, and upon demand a Certificate of Approval shall be issued.

14.4 Intentionally Left Blank.

14.5 Unapproved Transfers, Suspension of RE Company or Agent. Any sale or transfer which is not approved, or which is disapproved pursuant to the terms of this Declaration shall be void unless subsequently approved in writing by the Board. The Board of Directors may suspend a real estate agent or company from doing business in Chatham I for a reasonable period of time for violating transfer procedures. Such suspensions shall only be imposed after the agent or company has been given at least one written warning.

14.6 Fees and Deposits Related to the Approval of the Sale of Units. Whenever herein the Board's approval is required to allow the sale or other transfer of an interest in a Unit, the Association may charge the owner a preset fee for processing the application, such fee not to exceed the maximum amount allowed by law. A separate fee may charged for each person who is intending to be a record title holder or except that only a single fee may be charged to a husband and wife and no extra fee may be charged for

minor children.

14.7. Working Capital Contribution. The purchaser of each Unit, at the time of closing the conveyance from seller to purchaser, shall pay to the Association a working capital contribution. The amount of the working capital contribution shall be as determined by the Board of Directors of the Association. The funds derived from the working capital contribution shall be used at the sole discretion of the Board of Directors as needed to meet necessary and proper Association expenses. The working capital contribution, together with interest, costs and reasonable attorney's fees, shall be the personal obligation of the purchaser of the Unit and shall also be a charge against the Unit secured by a continuing lien upon the Unit. Said lien may be foreclosed in the same manner as provide herein for an assessment lien. For purposes of this Section, the term "conveyance" shall mean the transfer of record legal title to a Unit by deed or other authorized means of conveyance, with or without valuable consideration, and shall also refer to a transfer of possession and beneficial ownership by means of an agreement for deed. The foregoing notwithstanding the term "conveyance" does not refer to a transfer of title to the holder of a first mortgage resulting from a foreclosure sale or deed in lieu of foreclosure, a transfer to a devisee as the result of a death of the owner, nor to a transfer of title to the transferor's spouse without changing occupancy, solely for estate planning or tax reasons.

15. INSURANCE: In order to adequately protect the Association and its members, insurance shall be carried and kept in force at all times in accordance with the following provisions:

15.1 By the Unit Owner: Each Unit owner shall carry homeowner's insurance in accordance with and as required by Section 718.111(1) F.S., with endorsements for leakage, seepage and wind-driven rain, additions and alterations, and loss assessment protection. Every hazard insurance policy issued or renewed on or after January 1, 2009, to an individual Unit owner shall provide that the coverage afforded by such policy is excess over the amount recoverable under any other policy covering the same property. Each insurance policy issued to an individual Unit owner providing such coverage shall be without rights of subrogation against the condominium association that operates the condominium in which such Unit owner's Unit is located. All real or personal property located within the boundaries of the Unit owner's Unit which is excluded from the coverage to be provided by the association as set forth in Section 15.2 below shall be insured by the individual Unit owner including all floor, wall, and ceiling coverings, electrical fixtures, appliances, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware, and similar window treatment components, or replacements of any of the foregoing which are located within the boundaries of a Unit and serve only one Unit and all air conditioning compressors that service only an individual Unit, whether or not located within the Unit boundaries.

15.2 Association Insurance: Duty and Authority to Obtain; Opting out of 718.111(1)(j) F.S. The Unit Owners hereby elect to have the Association "opt out" of the provisions of Section 718.111(1) (j), Florida Statutes, 2008, regarding the allocation of repair and reconstruction expenses, and elect to allocate repair and reconstruction expenses to the individual Unit Owner as provided in this Declaration, in any instance where insurance proceeds, have not been collected, for any reason, including but limited to: the operation of the deductible, policy limits, exclusions;

denial or contest by the carrier or failure of carrier. The Board of Directors shall use its best efforts to obtain and maintain adequate insurance to protect the association, the association property, the common elements, and the condominium property required to be insured by the association pursuant to Section 718.111(11) Florida Statutes, and obtain and keep in force any or all additional insurance coverage as it deems necessary. The name of the insured shall be the Association and the Unit owners without naming them, and their mortgagees, as their interests shall appear. Adequate insurance coverage by the Association for "full insurable value," "replacement cost," or the like, may include reasonable deductibles as determined by the board. The Association separately or as a group of associations may self-insure against claims against the association, the association property, and the condominium property required to be insured by an association, upon compliance with Sections 624.460-624.488, Florida Statutes. A copy of each policy of insurance in effect shall be made available for inspection by Unit owners at reasonable times. The Association shall use its best efforts to obtain and maintain the following insurance coverage:

- (A) Liability. Premises and operations liability for bodily injury and property damage in such limits of protection and with such coverage as are determined by the Board of Directors, with cross liability endorsement to cover liabilities of the Unit owners as a group to a Unit owner.
- (B) Automobile. Automobile liability for bodily injury and property damage for all owned and non-owned motor vehicles, in such limits of protection and with such coverage as may be determined by the Board of Directors.
- (C) Workers' Compensation. The Association shall maintain Workers' Compensation insurance on at least a minimum premium basis.
- (D) Directors, Officers and Committee Members' Liability (Errors and Omissions).
- (E) Fidelity Bond/Insurance. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse funds of the association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the association or its management agent at any one time. As used in this paragraph, the term "persons who control or disburse funds of the association" includes, but is not limited to, those individuals authorized to sign checks and the president, secretary, and treasurer of the association. The association shall bear the cost of bonding.
- (F) Property/Hazard. Loss or damage by fire, extended coverage (including windstorm), vandalism and malicious mischief, and other hazards covered by what is commonly known as an "All Risk" property contract. Every hazard insurance policy issued or renewed on or after January 1, 2009, to protect the condominium shall provide primary coverage for:
 1. All portions of the condominium property located outside the Units;

DECLARATION

Draft 5 2/09/09

2. The condominium property located inside the Units as such property was initially installed, or replacements thereof of like kind and quality and in accordance with the original plans and specifications or, if the original plans and specifications are not available, as they existed at the time the Unit was initially conveyed; and
3. All portions of the condominium property for which the declaration of condominium requires coverage by the association.
4. Anything to the contrary notwithstanding, the terms "condominium property," "building," "improvements," "insurable improvements," "common elements," "association property," or any other term found in the declaration of condominium which defines the scope of property or casualty insurance that a condominium association must obtain shall exclude all floor, wall, and ceiling coverings, electrical fixtures, appliances, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware, and similar window treatment components, or replacements of any of the foregoing which are located within the boundaries of a Unit and serve only one Unit and all air conditioning compressors that service only an individual Unit, whether or not located within the Unit boundaries. The foregoing is intended to establish the property or casualty insuring responsibilities of the association and those of the individual Unit owner and do not serve to broaden or extend the perils of coverage afforded by any insurance contract provided to the individual Unit owner.

15.3 Description of Coverage. A detailed summary of the coverages included in the master policies, and copies of the master policies, shall be available for inspection by Unit owners or their authorized representatives upon request.

15.4 Waiver of Subrogation. If available and where applicable, the Board of Directors shall endeavor to obtain insurance policies which provide that the insurer waives its right to subrogation as to any claim against the Association Unit owners, or their respective servants, agents or guests, except for any claim based upon gross negligence evidencing reckless, willful or wanton disregard for life or property.

15.5 Insurance Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association, the Unit owners and their mortgagees as their interests may appear, and all proceeds shall be payable to the Association. The duty of the Association shall be to receive such proceeds as are paid, and to hold the same in trust, and disburse them for the purposes stated herein and for the benefit of the Unit owners and their respective mortgages in the following shares:

- (A) Common Elements. Proceeds on account of damage to common elements shall be held in as many individual shares as there are Units, the shares of each Unit owner being the same as his share in the common elements.

DECLARATION

Draft 5 2/09/09

- (B) Units. Proceeds on account of damage within the Units shall be held in undivided shares based on the prorated amount of damage within each damaged Unit as a percentage of the total damage within all Units except that if the Condominium is terminated then the insurance proceeds shall be allocated as provided in the Plan of Termination adopted in accordance with Section 718.117, F.S., which allocation may or may not be the same as the Unit Owner's share in the common elements.
- (C) Mortgagees. If a mortgagee endorsement has been issued as to a Unit, the shares of the mortgagee and the Unit owner shall be as their interests appear. In no event shall any mortgagee have the right to demand application of insurance proceeds to any mortgage or mortgages which it may hold against Unit or Units, except to the extent that insurance proceeds exceed the actual cost of repair or restoration of the damaged building or buildings. Except as otherwise expressly provided, no mortgagee shall have any right to participate in determining whether improvements will be restored after casualty.

15.6 Distribution of Proceeds. Proceeds of insurance policies received by the Association shall be distributed to or for the benefit of the Unit owners in the following manner:

- (A) Cost of Reconstruction or Repair. If the damage for which the proceeds are paid is to be reconstructed or repaired by the Association, the remaining proceeds shall be paid to defray the costs thereof. Any proceeds remaining after defraying costs shall be distributed to the beneficial owners, remittances to Unit owners and their mortgagees being paid jointly to them.
- (B) Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided herein that the damages for which the proceeds are paid shall not be reconstructed or repaired but the Condominium is not to be terminated, the remaining proceeds shall be distributed to the beneficial owners, remittances to Unit owners and their mortgagees being payable jointly to them. If the Condominium is terminated the proceeds shall be distributed according to 718.117(17) F.S.

15.7 Association as Agent. The Association is hereby irrevocably appointed as agent for each Unit owner to adjust all claims arising under insurance policies purchased by the Association for damage or loss to the condominium property.

15.8 Deductibles. The Board shall establish the amount of the deductibles under the insurance policies it obtains on behalf of the Association, and other features, as it deems desirable and in its business judgment in the best interest of the Association. The deductible shall be paid by the party who would be liable for the loss or responsible for the repairs in the absence of insurance. If multiple parties would be responsible, the deductible shall be allocated among them in relation to the amount each party's loss bears to the total as determined by the Board.

16. RECONSTRUCTION OR REPAIR AFTER CASUALTY: If any part of the condominium

property is damaged by casualty, whether and how it shall be reconstructed or repaired shall be determined as follows:

16.1 Damage to Units. Where loss or damage occurs within one or more Units, any Association insurance proceeds received on account of the loss or damage shall be distributed to the owner(s) of the damaged Unit(s) in shares as provided in Section 15 above. The owner(s) of the damaged Unit(s) shall be responsible for reconstruction and repair, including any costs in excess of the insurance proceeds from the Association insurance. The foregoing notwithstanding, if the Board determines in its sole and exclusive discretion that due to the nature or the extent of the damage to the Unit or Units that it is in the best interest of the Association that the reconstruction and repair be made by the Association then the Association shall be entitled to retain the insurance proceeds, contract for the repairs, make the repairs and thereafter distribute the excess unused proceeds, if any, to the owner(s).

16.2 Damage to Units and Common Elements-Less than "Very Substantial". Where loss or damage occurs to the common elements, but the loss is less than "very substantial" as hereinafter defined, unless the Unit Owners vote to terminate the Condominium it shall be mandatory for the Association to repair, restore and rebuild the damage caused by the loss, and the following procedures shall apply:

- (A) The Board of Directors shall promptly obtain reliable and detailed estimates of the cost of repair and restoration, and shall negotiate and contract for repair and reconstruction.
- (B) If the proceeds of insurance and available reserves are insufficient to pay for the cost of repair and reconstruction of the common elements, the Association shall promptly, upon determination of the deficiency, levy a special assessment against all Unit owners in proportion to their shares in the common elements for the deficiency. Such special assessments need not be approved by the Unit owners. The proceeds from the special assessment shall be added to the funds available for repair and restoration of the property.

16.3 Damage to Units and Common Elements "Very Substantial". As used in the Declaration, the term "very substantial" damage shall mean loss or damage whereby at least fifty percent (50%) of the total Units cannot reasonably be expected to be rendered habitable within one (1) year of the casualty. Should such "very substantial" damage occur then:

- (A) The Board of Directors and the officers, or any of them, are authorized, regardless of any other provision of this Declaration, to take such action as may reasonably appear to be necessary under emergency conditions. This authority includes actions to protect life and property, to evacuate or shore-up structures and salvage property, to engage security to protect against looting or other criminal acts, and to alter the condominium property or association property as might be reasonable under the circumstances to protect the condominium property or association property from further damage or deterioration. This authority includes the authority to expend any and all available association funds, including reserves.

DECLARATION

Draft 5 2/09/09

- (B) The Board of Directors shall endeavor to obtain comprehensive, detailed estimates of the cost of repair and restoration.
- (C) A meeting of the members shall be held not later than sixty (60) days after the Board has obtained the estimates, to determine the opinion of the membership with reference to rebuilding or termination of the Condominium, subject to the following:
 - 1. If the insurance proceeds, reserves and other association funds available for the restoration and repairs that are the Association's responsibility are sufficient to cover the estimated cost thereof so that it is reasonably anticipated that the repairs and reconstruction can be accomplished without levying a special assessment that exceeds fifty percent (50%) of the total annual budget for the condominium in the year in which the casualty occurred, the Condominium shall be repaired and reconstructed unless the owners otherwise vote to terminate the Condominium.
 - 2. If upon the advice of legal counsel and engineers, it appears unlikely that the then applicable zoning or other regulatory laws will allow reconstruction of the same number and general types of Units, or if reconstruction shall constitute economic waste or impossibility as provided in Section 718.117(2), F.S., or if the insurance proceeds, reserves and other association funds available for restoration and repair are not sufficient to cover the estimated cost thereof, and it is reasonably anticipated that the repairs and reconstruction can be accomplished only by levying special assessments exceeding fifty percent (50%) of the total annual budget for the Condominium in the fiscal year in which the casualty occurred, a vote to terminate the Condominium shall be conducted pursuant to 718.117 F.S. If the Unit Owners vote against termination, the Board of Directors shall levy such assessments as are necessary, and shall proceed with the necessary repairs and restoration. The proceeds from the special assessments shall be added to the funds available for repair and reconstruction.
- (D) If any dispute shall arise as to whether "very substantial" damage has occurred, or as to the amount of special assessments required, a determination by at least two-thirds (2/3rds) of the Directors shall be conclusive, and shall be binding upon all persons.

16.4 Application of Insurance Proceeds. It shall be presumed that the first monies disbursed for repair and restoration are from insurance proceeds; if there is a balance left in the funds held by the Association after the payment of all costs of repair and restoration, such balance shall be distributed to the Unit owners, except as otherwise provided in Section 15 above.

16.5 Equitable Relief. In the event of damage to the common elements which renders any Unit uninhabitable, and the damage is not repaired, reconstructed, or rebuilt within a reasonable period of time, the owner of the uninhabitable Unit may petition a court for equitable relief, which may include a termination of the Condominium and a partition. For the purposes of this provision, it shall be presumed

DECLARATION

Draft 5 2/09/09

that repair, reconstruction or rebuilding has occurred within a reasonable period of time if substantial work is commenced within one (1) year following the damage or destruction, and is completed within twelve (12) months thereafter. In the case of "very substantial" damage the condominium will be rebuilt. The Board shall commence and complete construction as soon as practicable under the circumstances.

16.6 Plans and Specifications. Any reconstruction or repairs must be substantially in accordance with the plans and specifications for the original building, or according to different plans and specifications approved by the Board of Directors, by the owners of at least three-fourths (3/4ths) of the Units, and by the Primary Institutional Mortgagee, if any. Such approvals may not be unreasonably withheld. However, no change in plans and specifications shall materially reduce the interior floor space of any Unit without the consent of the Unit owner and his Institutional Mortgagee, if any.

17. CONDEMNATION:

17.1 Deposit of Awards with Association. The taking of all or any part of the condominium property by condemnation or eminent domain shall be deemed to be a casualty to the portion taken and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty. Even though the awards may be payable to Unit owners, the Unit owners shall deposit the awards with the Association; and if any fail to do so, a special charge shall be made against a defaulting Unit owner in the amount of his award, or the amount of that award shall be set off against any sums payable to that owner.

17.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the same manner provided for determining whether damaged property will be reconstructed and repaired after a casualty.

17.3 Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of all awards and special assessments will be deemed to be condominium property and shall be owned and distributed in the manner provided for insurance proceeds when the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, but the size of the Condominium will be reduced, the owners of condemned Units, if any, will be made whole, and any property damaged by the taking will be made usable in the manner provided below. Proceeds of awards and special assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursements of funds after a casualty

17.4 Association as Agent. The Association is hereby irrevocably appointed as each Unit owner's attorney-in-fact for purposes of negotiating or litigating with the condemning authority for the purposes of realizing just compensation.

17.5 Units Reduced but Habitable. If the condemnation reduces the size of a Unit and the remaining portion of the Unit can be made habitable, the awards for the taking of a portion of that Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

DECLARATION

Draft 5 2/09/09

- (A) Restoration of Unit. The Unit shall be made habitable. If the cost of restoration exceeds the amount of the award, the additional funds required shall be paid by the owner of the Unit.
- (B) Distribution of Surplus. The balance of the award, if any, shall be distributed to the owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the owner and mortgagees.
- (C) Adjustment of Shares in Common Elements. If the floor area of a Unit is reduced by the taking, the number representing the share in the common elements appurtenant to the Unit shall be reduced in the proportion by which the floor area of the Unit is reduced by the taking, and then the shares of all Unit owners in the common elements shall be restated as percentages of the total of the numbers representing their original shares as reduced by the taking.

17.6 Unit Made Not Habitable. If the condemnation is of an entire Unit or reduces the size of a Unit so that it cannot be made habitable, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

- (A) Payment of Award. The fair market value of the Unit immediately prior to the taking shall be paid to the owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the owner and mortgagee(s).
- (B) Addition to Common Elements. If possible and practical, the remaining portion of the Unit shall become a part of the common elements and shall be placed in condition for use by some or all Unit owners in a manner approved by the Board of Directors.
- (C) Adjustment of Shares in Common Elements. The shares in the common elements appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the ownership of the common elements among the reduced number of Units. This shall be done by restating the shares of the continuing Units in the common elements as percentages of the total of the numbers representing the shares of these as they existed prior to the adjustment.
- (D) Assessments. If the amount of the award for the taking is not sufficient to pay the fair market value of the condemned Unit to the Unit owner and to condition the remaining portion of the Unit for use as a part of the common elements, the additional funds required for those purposes shall be raised by special assessment against Units that will continue as Units after the changes in the Condominium affected by the taking. The assessments shall be made in proportion to the shares of those Units in the common elements after the changes affected by the taking.
- (E) Arbitration. If the fair market value of a Unit prior to the taking cannot be determined by

DECLARATION

Draft 5 2/09/09

agreement between the Unit owner and the Association within thirty (30) days after notice by either party, the value shall be determined by appraisal in accordance with the following. The Unit owner, the first mortgagee, if any, and the Association shall each appoint one certified real property appraiser, who shall appraise the Unit and determine the fair market value by computing the arithmetic average of their appraisals of the Unit. A judgment of specific performance upon the fair market value calculated in this way may be entered in any court of competent jurisdiction. Each party shall bear the cost of his own appraiser.

17.7 Taking of Common Elements. Awards for the taking of common elements shall be used to make the remaining portion of the common elements usable in a manner approved by the Board of Directors. The balance of such awards, if any, shall be distributed to the Unit owners in the shares in which they own the common elements after adjustment of these shares on account of the condemnation, if any. If a Unit is mortgaged, the remittance shall be paid jointly to the owner and mortgagee(s) of the Unit.

17.8 Amendment of Declaration. Any changes in Units and in the common elements, in the ownership of the common elements, and in the sharing of common expenses that are necessitated by condemnation shall be accomplished by amending this Declaration. Such amendment must be approved only by a majority of all Directors, and the consent of Unit owners or mortgagees is not required for any such amendment.

18. TERMINATION:

18.1 The Condominium may be terminated at any time as provided in and in accordance with 718.117, F.S. If the Plan of Termination will result in less than the full satisfaction of the mortgage liens affecting the condominium parcels then all mortgagees must approve the Plan of Termination.

19. ENFORCEMENT:

19.1 Duty to Comply; Right to Sue. Each Unit owner, his tenants and guests, and the Association shall be governed by and shall comply with the provisions of the Condominium Act, the condominium documents and the rules and regulations of the Association. Actions for damages or for injunctive relief, or both, for failure to comply may be brought by the Association or by a Unit owner against:

- (A) The Association;
- (B) A Unit owner;
- (C) Anyone who occupies or is a tenant or guest in a Unit; or
- (D) Any member of the Board of Directors who willfully and knowingly fails to comply with these provisions.

DECLARATION

Draft 5 2/09/09

19.2 Waiver of Rights. The failure of the Association or any member to enforce a right, provision, covenant or condition which may be granted by the condominium documents shall not constitute a waiver of the right of the Association or member to enforce such right, provision, covenant or condition in the future. A provision of the Condominium Act may not be waived by a Unit owner if the waiver would adversely affect the rights of the owner or defeat the purpose of the provision, except that Unit owners or Directors may waive notice of specific meetings as provided in the Bylaws.

19.3 Attorney's Fees. In any legal proceeding arising out of an alleged failure of a guest, tenant, Unit owner or the Association to comply with the requirements of the Condominium Act, the condominium documents, or the Association's rules and regulations, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such attorney's fees as may be awarded by the court.

19.4 No Election of Remedies. All rights, remedies and privileges granted to the Association or Unit owners under the law and the condominium documents shall be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising any other rights, remedies, or privileges that may be available.

20. RIGHTS OF MORTGAGEES:

20.1 Approvals. Consent of the Institutional Mortgagee of a Unit shall be required for any amendment to the Declaration which would decrease the Unit's share of ownership of the common elements, except as otherwise provided in Sections 17.5(C), 17.6(C) and 17.8. Mortgagee approval shall be obtained as provided in and in accordance with F.S. 718.110(11).

20.2 Notice of Casualty or Condemnation. In the event of condemnation, eminent domain proceeding, or very substantial damage to, or destruction of, any Unit or any part of the common elements, the record holder of any first mortgage on an affected Unit shall be entitled to notice.

20.3 Mortgage Foreclosure. If the mortgagee of a first mortgage of record acquires title to a condominium parcel as a result of foreclosure of the mortgage, or as the result of a deed given in lieu of foreclosure, the mortgagee of title shall be liable for the share of common expenses or assessments attributable to the condominium parcel, which came due prior to the mortgagee's acquisition of title, to the fullest extent provided by the Condominium Act, as the same may be amended from time to time. Any unpaid share of common expenses for which such acquirer is exempt from liability becomes a common expense collectible from all Unit owners. No acquirer of title to a condominium parcel by foreclosure, or by a deed in lieu of foreclosure, may be excused from the payment of any assessments coming due during the period of such ownership.

20.4 Redemption. If proceedings are instituted to foreclose any mortgage or lien on any Unit, the Association, on behalf of one or more Unit owners and with the permission of the mortgagee, may redeem the mortgage or lien for the amount due thereon and be thereby subrogated to all of the mortgagee's or lienor's rights of action, or the Association may purchase the Unit at the foreclosure sale. Any mortgagee

DECLARATION

Draft 5 2/09/09

shall have an unrestricted, absolute right to accept title to the Unit in settlement and satisfaction of the mortgage or to foreclose its mortgage in accordance with its terms, and to bid upon the Unit at the foreclosure sale.

20.5 Right to Inspect Books. The Association shall make available to Institutional Mortgagees who hold a mortgage on any Unit in Chatham Square I Condominium requesting same current copies of the condominium documents and the books, records and financial statements of the Association. "Available" shall mean ready for inspection, upon written request, during normal business hours, or under other reasonable circumstances. Photocopies shall be provided at the expense of the person requesting them at reasonable cost.

20.6 Financial Statement. Any Institutional Mortgagee considering taking a mortgage on a Unit in Chatham I is entitled, upon written request, to a copy of the financial statement of the Association for the immediately preceding fiscal year for a reasonable cost.

20.7 Lender's Notices. Upon written request to the Association, any Institutional Mortgagee shall be entitled to timely written notice of:

- (A) Any sixty (60) day or longer delinquency in the payment of assessments or charges owed by the owner of any Unit on which it holds a mortgage.
- (B) A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.
- (C) Any proposed action that requires the consent of a specified percentage of mortgage holders.

21. AMENDMENT OF DECLARATION: Amendments to this Declaration shall be proposed and adopted in the following manner:

21.1 Proposal. Amendments to this Declaration may be proposed by the Board of Directors, or by written petition to the Board signed by the owners of at least one-fourth (1/4th) of the Units.

21.2 Procedure. Upon any amendment or amendments to this Declaration being proposed as provided above, the proposed amendment or amendments shall be submitted to a vote of the members not later than the next annual meeting for which proper notice can still be given.

21.3 Vote Required. Except as otherwise provided by law, or by specific provision of the condominium documents, this Declaration may be amended if the proposed amendment is approved by at least a majority (50%+1) of the voting interests who are present and voting, in person or by proxy, at any annual or special meeting called for the purpose. Amendments may also be approved by written consent of a majority (50%+1) of the total voting interests. The Board of Directors may amend the Condominium Documents to correct scrivener's errors or omissions, and amend and restate the Condominium Documents

in order to consolidate into one document amendments previously adopted by the members or the Board. Amendments adopted by the Board shall occur at a duly noticed Board meeting (with adoption of the amendments set forth on the agenda).

21.4 Certificate; Recording. A copy of each adopted amendment shall be attached to a certificate that the amendment was duly adopted as an amendment to the Declaration, which certificate shall be in the form required by law and shall be executed by the President or Vice President of the Association with the formalities of a deed. The amendment shall be effective when the certificate and copy of the amendment are recorded in the Public Records of Collier County, Florida.

21.5 Proviso. No amendment may change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to the Unit, or change the proportion or percentage by which the owner of a parcel shares the common expenses and owns the common surplus, unless all record owners of the Unit, and any Institutional Mortgagee holding a mortgage on the Unit, consent in writing to the amendment. This proviso does not apply to changes caused by condemnation or a taking by eminent domain as provided in Section 17.

22. MISCELLANEOUS:

Once the reasonable accommodation is no longer required the property shall only be used in conformance with the governing documents.

22.9 Future Corporate and Property Mergers. Future corporate and property mergers and amendments related thereto shall be approved as follows:

- (A) Corporate Mergers. Draft 5 2/09/09

conduct was unlawful, and (ii) such court also determines specifically that indemnification should be denied. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. It is the intent of the membership of the Association, by the adoption of this provision, to provide the most comprehensive indemnification possible to their officers, Directors, and committee members as permitted by Florida law.

(B) Defense. (C) Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the affected Director, officer, or committee member to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Association as authorized by this Article VIII.

(D) Miscellaneous. The indemnification provided by this Article VIII shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of members, or otherwise, and shall continue as to a person who has ceased to be a Director, officer, or committee member and shall inure to the benefit of the heirs and personal representatives of such person.

(F) Amendment. Anything to the contrary herein notwithstanding, the provisions of this Article VIII may not be amended without the approval in writing of all persons whose interest would be adversely affected by such amendment.

2.2 Voting Interest. The members of the Association are entitled to one (1) vote for each unit owned by them. The total number of possible votes (the "voting interests") is equal to the total number of units. The vote of a unit is not divisible. The right to vote may not be denied because of delinquent assessments. If a unit is owned by one natural person, his right to vote shall be established by the record title to the unit. If a unit is owned jointly by two or more natural persons, that unit's vote may be cast by any one of the record owners. If two or more owners of a unit do not agree among themselves how their one vote shall be cast, that vote shall not be counted for any purpose. If the owner of a unit is a corporation, partnership, trust or other entity other than a natural person, the vote of that unit shall be cast by any officer, director, partner or trustee, as the case may be.

2.3 Approval or Disapproval of Matters. Whenever the decision or approval of a unit owner is required upon any matter, whether or not the subject of an Association meeting, such decision may be expressed by any person authorized to cast the vote of such unit at an Association meeting as stated in Section 2.2 above, unless the joinder of all record owners is specifically required.

2.4 Change of Membership. Following written approval of the Association, as elsewhere required herein, a change of membership in the Association shall be established by the new member's membership becoming effective as provided in 2.1 above. At that time the membership of the prior owner shall be terminated automatically.

2.5 Termination of Membership. The termination of membership in the Association does not relieve or release any former member from liability or obligation incurred under or in any way connected with the Condominium during the period of his membership, nor does it impair any rights or remedies which the Association may have against any former owner or member arising out of or in any way connected with such ownership and membership and the covenants and obligations incident thereto.

The member is responsible for providing the Association with notice of any change of address. The notice of meeting must be mailed, electronically transmitted or delivered at least fourteen (14) days before the meeting. An affidavit of the officer or other person making such mailing, transmission or delivery shall be retained in the Association records as proof of mailing. A member may waive notice of any meeting at any time, but only by written waiver.

3.7 Proxy Voting. To the extent lawful, any person entitled to attend and vote at a members meeting may establish his presence and cast his vote by proxy. A proxy shall be valid only for the specific meeting for which originally given and any lawful adjournment of that meeting, and no proxy is valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at the pleasure of the person executing it. To be valid, a proxy must be in writing, dated, signed by the person authorized to cast the vote for the unit, specify the date, time and place of the meeting for which it is given, and the original must be delivered to the Secretary by the appointed time of the meeting or adjournment thereof. Holders of proxies need not be members. No proxy shall be valid if it names more than one person as the holder of the proxy, but the holder shall have the right, if the proxy so provides, to substitute another person to hold the proxy.

3.8 Adjourned Meetings. Any duly called meeting of the members may be adjourned to be reconvened at a specific later time by vote of the majority of the voting interests present in person or by proxy, regardless of whether a quorum has been attained. When a meeting is adjourned it shall be necessary to give notice to all members of the time and place of its continuance regardless of whether such are announced at the meeting being adjourned. Any business which might have been conducted at the meeting as originally scheduled may instead be conducted at the continuance, provided a quorum is then present, in person or by proxy.

Draft 5 2/09/09

Minutes must be reduced to written form within ten (10) days after the meeting at which they were taken.

3.11 Parliamentary Rules. Roberts' Rules of Order (latest edition) shall guide the conduct of the Association meeting when not in conflict with the law, with the Declaration, or with these Bylaws. The presiding officer may appoint a Parliamentarian whose decision on questions of parliamentary procedure shall be final. Any question or point of order not raised at the meeting to which it relates shall be deemed waived.

3.12 Action by Members Without Meeting. Any action required or permitted to be taken at a meeting of the members may be taken by mail without a meeting if written consents, setting forth the action to be taken, are signed by the members having not less than the minimum number of votes that would be necessary to take such action at a meeting. Action by members without a meeting shall be undertaken in the manner required by Chapter 617, Florida Statutes.

4. BOARD OF DIRECTORS. The administration of the affairs of the Association shall be by a Board of Directors. All powers and duties granted to the Association by law, as modified and explained in the Declaration, Articles of Incorporation, and these Bylaws, shall be exercised by the Board, subject to approval or consent of the unit owners only when such is specifically required.

4.1 Number and Terms of Service. The number of Directors which shall constitute the whole Board of Directors shall be five (5). The system of staggered terms already established shall be maintained. All Directors shall be elected for two (2) year terms. A Director's term will end at the annual election at which his successor is to be duly elected, unless he sooner resigns, or is recalled as provided in 4.5 below. Directors shall be elected by the members as described in Section 4.3 below, or in the case of a vacancy, as provided in Section 4.4 below.

4.2 Qualifications. Directors must be members of the Association or a spouse of a member. In the case of a unit owned by a corporation, any officer is eligible for election to the Board of Directors. If a

Draft 5 2/09/09

unit is owned by a partnership, any partner is eligible to be a Director. If a unit is held in trust, the trustee, grantor or settlor of the trust, or any one of the beneficial owners is eligible to be elected to the Board of Directors. In addition, any person designated as the "voting representative" under Section 2.2 may serve as a Director.

4.3 Nomination and Elections. On the day of each annual meeting the members shall elect by written ballot as many Directors as there are regular terms of Directors expiring. Notice of each annual election shall be given to all owners at least sixty (60) days in advance. Any person eligible to serve as a Director who wishes to qualify as a candidate may notify the Association in writing of his desire to be a candidate at least forty (40) days prior to the annual election. Notice shall be deemed effective when received by the Association. Any person indicating his or her desire to qualify as a candidate may also include with such notification and subject to the same forty (40) day deadline, a separate information sheet, no larger than 8 1/2 inches by 11 inches, which describes the candidate's background, education and qualifications for office, and any other information deemed relevant by the candidate. The Association shall mail or deliver a second notice of the election, together with the candidate information sheets and a ballot which shall list all candidates in alphabetical order by surname, at least fourteen (14) days in advance of the election; provided, however, that if the number of candidates does not exceed the number of vacancies, then no election shall be required. Directors shall be elected by a plurality of the votes cast. In the election of Directors, there shall be appurtenant to each unit as many votes for Directors as there are Directors to be elected, but no unit may cast more than one vote for any candidate, it being the intent hereof that voting for Directors shall be non-cumulative.

4.4 Vacancies on the Board. If the office of any Director becomes vacant for any reason, a majority of the remaining Directors, though less than a quorum, shall promptly choose a successor to fill the vacancy and the Director filling the vacancy shall serve until the next annual meeting. If for any reason there shall arise circumstances in which no Directors are serving and the entire Board is vacant, the members shall elect successors by written ballot in the same manner as provided generally for regular annual elections, except that the election need not take place on the date of the annual meeting.

4.5 Removal of Directors. Any or all Directors may be removed with or without cause by a majority vote of the entire membership, either by a written petition, or at any meeting called for that purpose, in the manner required by Florida law.

4.6 Organizational Meeting. The organizational meeting of a new Board of Directors shall be held within ten (10) days after the election. The organizational meeting may occur immediately following the election, in which case notice of the organizational meeting may be provided by the existing Board.

4.7 Other Meetings. Meetings of the Board may be held at such time and place in Collier County, Florida, as shall be determined from time to time by the President or a majority of the Directors. Notice of meetings shall be given to each Director, personally, by mail, telephone, electronic transmission or telegram at least two (2) days prior to the day named for such meeting.

Draft 5 2/09/09

4.8 Notice to Owners. All meetings of the Board of Directors shall be open to members and notices of all Board meetings (including an agenda) shall be posted conspicuously on the condominium property for at least forty-eight (48) continuous hours in advance of each Board meeting, except in an emergency. Any item not included on the agenda may be taken up on an emergency basis by at least a majority plus one of the members of the Board. Such emergency action shall be noticed and ratified at the next regular meeting of the Board. Notice of any Board meeting at which a non-emergency special assessment or amendment to rules regarding unit use will be considered shall conform to the requirements set forth in Section 6.6 below. Notice of any Board meeting at which a budget will be adopted or amended shall conform to the requirements of Section 6.2 below. The rights of owners to attend Board meetings includes the right to speak on designated agenda items, subject to the rules of the Association as to the manner of doing so. Notwithstanding anything to the contrary contained in the Condominium Documents, meetings of the Board or a committee with the Association's attorney with respect to proposed or pending litigation, when the meeting is held for the purpose of seeking or rendering legal advice, shall not be governed by the provisions of Section 4.8 of these Bylaws.

4.9 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting, and such waiver shall be deemed equivalent to the giving of notice. If all Directors are present at a meeting, no notice to Directors shall be required.

4.10 Quorum of Directors. A quorum at a Board meeting shall exist when at least a majority of all Directors are present at a duly called meeting. Directors may participate in any meeting of the Board, by a conference telephone call or similar communicative arrangement whereby all persons present can hear and speak to all other persons. Participation by such means shall be deemed equivalent to presence in person at a meeting. Directors may not vote or participate by proxy at Board meetings.

4.11 Vote Required. The acts approved by a majority of those Directors present and voting at a meeting at which a quorum exists shall constitute the acts of the Board of Directors, except when approval by a greater number of Directors is required by the condominium documents or by applicable statutes. A director who is present at a meeting of the Board shall be deemed to have voted in favor of any action taken, unless he voted against such action or abstained from voting because of an asserted conflict of interest. The vote or abstention of each Director present on each issue voted upon shall be recorded in the minutes. Action required or permitted by Florida law or the Condominium Documents to be taken at a Board meeting may be taken without a meeting if all Directors sign written consents describing the action taken. Action taken without a meeting is effective when the last written consent is obtained, unless the written consent specifies a different effective date.

4.12 Adjourned Meetings. The majority of the Directors present at any meeting of the Board, regardless of whether a quorum exists, may adjourn the meeting to be reconvened at a specific time and date. At any reconvened meeting, provided a quorum is present, any business may be transacted that might have been transacted at the meeting as originally called.

Draft 5 2/09/09

4.13 The Presiding Officer. The President of the Association, or in his absence, the Vice-President, shall be the presiding officer at all meetings of the Board of Directors. If neither is present, the presiding officer shall be selected by majority vote of the Directors present.

4.14 Compensation of Directors and Officers. Neither Directors nor officers shall receive compensation for their services as such. Directors and officers may be reimbursed for all actual and proper out-of-pocket expenses relating to the proper discharge of their respective duties.

4.15 Committees. The Board of Directors may appoint from time to time such standing or temporary committees as the Board deem necessary and convenient for the efficient and effective operation of the Condominium. Any such committee shall have the powers and duties assigned to it in the resolution creating the committee. A committee which advises the Board on the budget, or a committee which has authority to take action on behalf of the Board, shall be subject to the provisions of Section 4.8 of these Bylaws. All other committees shall not be subject to Section 4.8 of these Bylaws.

4.16 Emergency Powers. In the event of an "emergency" as defined in Section 4.16(H) below, the Board of Directors may exercise the emergency powers described in this Section, and any other emergency powers authorized by Sections 617.0207, and 617.0303, Florida Statutes, as amended from time to time.

- (A) The Board may name as assistant officers persons who are not Directors, which assistant officers shall have the same authority as the executive officers to whom they are assistant during the period of the emergency, to accommodate the incapacity of any officer of the Association.
- (B) The Board may relocate the principal office or designate alternative principal offices or authorize the officers to do so.
- (C) During any emergency the Board may hold meetings with notice given only to those Directors with whom it is practicable to communicate, and the notice may be given in any practicable manner, including publication or radio. The Director or Directors in attendance at such a meeting shall constitute a quorum.
- (D) Corporate action taken in good faith during an emergency under this Section to further the ordinary affairs of the Association shall bind the Association; and shall have the rebuttable presumption of being reasonable and necessary.
- (E) Any officer, director, or employee of the Association acting with a reasonable belief that his or her actions are lawful in accordance with these emergency Bylaws shall incur no liability for doing so, except in the case of willful misconduct.

Draft 5 2/09/09

- (F) These emergency Bylaws shall supersede any inconsistent or contrary provisions of the Bylaws during the period of the emergency.
- (G) For purposes of this Section only, an "emergency" exists only during a period of time that the condominium, or the immediate geographic area in which the condominium is located, is subjected to:
 - 1. a state of emergency declared by local civil or law enforcement authorities;
 - 2. a hurricane warning;
 - 3. a partial or complete evacuation order;
 - 4. federal or state "disaster area" status; or
 - 5. a catastrophic occurrence, whether natural or manmade, which seriously damages or threatens to seriously damage the physical existence of the condominium, such as an earthquake, tidal wave, fire, hurricane, tornado, war, civil unrest, or act of terrorism.
 - 6. An "emergency" also exists for purposes of this Section during the time when a quorum of the Board cannot readily be assembled because of the occurrence of a catastrophic event, such as a hurricane, earthquake, act of war or terrorism, or other similar event. A determination by any two (2) Directors, or by the President, that an emergency exists shall have presumptive validity.

5. OFFICERS.

5.1 Officers and Elections. The executive officers of the Association shall be a President, and a Vice-President, who must be Directors, a Treasurer and a Secretary, all of whom shall be elected annually by the Board of Directors. Any officer may be removed with or without cause by vote of a majority of all Directors at any meeting. Any person may hold two or more offices. The Board may, from time to time, appoint such other officers, and designate their powers and duties, as the Board shall find to be required to manage the affairs of the Association. If the Board so determines, there may be more than one Vice-President.

5.2 President. The President shall be the chief executive officer of the Association; he shall preside at all meetings of the members and Directors, shall be ex-officio a member of all standing committees, shall have general and active management of the business of the Association, and shall see that all orders and resolutions of the Board are carried into effect. He shall execute bonds, mortgages and other

Draft 5 2/09/09

contracts requiring seal of the Association, except where such are permitted by law to be otherwise signed and executed, and the power to execute is delegated by the Board of Directors to some other officer or agent of the Association.

5.3 Vice-Presidents. The Vice-Presidents in the order of their seniority shall, in the absence or disability of the President, perform the duties and exercise the powers of the President; and they shall perform such other duties as the Board of Directors shall assign.

5.4 Secretary. The Secretary shall attend all meetings of the Board of Directors and all meetings of the members and shall cause all votes and the minutes of all proceedings to be recorded in a book or books to be kept for the purpose, and shall perform like duties for the standing committees when required. He shall give, or cause to be given, notice of all meetings of the members and of the Board of Directors, and shall perform such other duties as may be prescribed by the Board or the President. He shall keep in safe custody the seal of the Association and, when authorized by the Board, affix the same to any instrument requiring it. The Secretary shall be responsible for the proper recording of all duly adopted amendments to the condominium documents. Any of the foregoing duties may be performed by an Assistant Secretary, if one has been designated.

5.5 Treasurer. The Treasurer shall be responsible for Association funds and securities, the keeping of full and accurate amounts of receipts and disbursements in books belonging to the Association, and the deposit of all monies and other valuable effects in the name and to the credit of the Association in such depositories as may be designated by the Board of Directors. He shall oversee the disbursement of the funds of the Association, keeping proper vouchers for such disbursements, and shall render to the President and Directors, at the meetings of the Board, or whenever they may require it, an accounting of all transactions and of the financial condition of the Association. Any of the foregoing duties may be performed by an Assistant Treasurer, if any has been designated.

6. FISCAL MATTERS. The provisions for fiscal management of the Association set forth in the Declaration of Condominium shall be supplemented by the following provisions:

6.1 Depository. The Association shall maintain its funds in such insured financial institutions authorized to do business in the State of Florida as shall be designated from time to time by the Board. Withdrawal of monies from such accounts shall be only by such persons as are authorized by the Board. The Board may invest Association funds in interest-bearing accounts, money market funds, certificates of deposit, U.S. Government securities, and other similar investment vehicles.

6.2 Budget. The Board of Directors shall adopt a budget of common expenses for each fiscal year. A copy of the proposed budget and a notice stating the time, date and place of the meeting of the Board at which the budget will be adopted shall be mailed or electronically transmitted to the owner of each unit not less than fourteen (14) days prior to that meeting. The proposed budget shall be detailed and shall show the amounts budgeted by income and expense classifications.

Draft 5 2/09/09

6.3 Statutory Reserves for Capital Expenditures and Deferred Maintenance. In addition to annual operating expenses, the proposed budget must include reserve accounts for capital expenditures and deferred maintenance as required by law. These accounts shall include, but are not limited to, roof replacement, building painting, and pavement resurfacing. The amount to be reserved shall be computed by a formula based upon estimated life and replacement cost of each item. These reserves shall be funded unless the members subsequently determine by majority vote of those present in person or by proxy at a duly called meeting to fund no reserves or less than adequate reserves for a fiscal year. The vote to waive or reduce reserves, if any is taken, may be taken only after the proposed budget has been mailed to the unit owners as required in 6.2 above. Reserves funded under this paragraph, and all interest earned on such reserves, shall not be commingled with operating funds (unless combined for investment purposes), and shall be used only for the purposes for which they were reserved, unless their use for other purposes is permitted by law or is approved in advance by a majority vote at a members' meeting called for that purpose. Operating and reserve funds may be invested in combined accounts, but such funds shall be accounted for separately, and the combined account balance may not, at any time, be less than the amount identified as reserve funds in the combined account, or the minimum amount required by law. Operating and reserve funds may be combined in the quarterly assessment paid by unit owners, provided that the operating and reserve funds are segregated within 30 days after receipt (unless combined for investment purposes).

6.4 Other Reserves. In addition to the statutory reserves provided in Section 6.3 above, or in place of them if the members so vote, the Board may establish one or more "contingency reserves" as defined in Rule 61B-22.001(4), Florida Administrative Code, as the same may be amended from time to time. The purpose of these contingency reserves is to provide financial stability and to avoid the need for special assessments on a frequent basis. The amounts proposed to be so reserved shall be shown in the proposed annual budget as a line item in the operating portion of the budget. These funds may be spent for any purpose approved by the Board.

6.5 Assessments. Regular annual assessments based on the adopted budget shall be paid either monthly, or quarterly, as determined by the Board. Failure to send or receive notice of assessments shall not excuse the obligation to pay. If an annual budget has not been adopted at the time the first installment for a fiscal year is due, it shall be presumed that the amount of such installment is the same as the last installment and shall be continued at such rate until a budget is adopted and pro rata assessments are calculated, at which time any overage or shortage shall be added or subtracted from each unit's next due installment.

6.6 Special Assessments. Special assessments may be imposed by the Board of Directors when necessary to meet unusual, unexpected, unbudgeted, or non-recurring expenses. Special assessments are due on the day specified in the resolution of the Board approving such assessments. Written notice of any Board meeting at which a non-emergency special assessment will be considered, must be mailed or electronically transmitted to all unit owners at least fourteen (14) days in advance, which notice shall state that assessments will be considered and the nature of any such assessments. The notice to owners that any special assessment has been levied must contain a statement of the purpose(s) of the assessment, and the funds collected must be spent for the stated purpose(s). If any funds remain upon completion of the

Draft 5 2/09/09

purpose(s) such excess funds may, at the discretion of the Board, either be returned to the unit owners or applied as a credit towards future assessments.

6.7 Fidelity Bonds. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse Association funds. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time, or the maximum amount required by law. The term "persons who control or disburse Association funds", includes, but is not limited to those individuals authorized to sign checks and the President, Secretary and Treasurer of the Association. The Association shall bear the cost of bonding. The premiums on such insurance or bonds shall be a common expense.

6.8 Financial Statements. Within 90 days after the end of the fiscal year, the Association shall prepare and complete, or cause to be prepared and completed by a third party, a financial report for the preceding fiscal year. Within 21 days after the financial report is completed or received by the Association from the third party, the Association shall mail to each unit owner at the address last furnished to the Association by the unit owner, or hand deliver to each unit owner, a copy of the financial report or a notice that a copy of the financial report will be mailed or hand delivered to the unit owner, without charge, upon receipt of a written request from the unit owner.

6.9 Fiscal Year. The fiscal year shall be the calendar year, unless modified by the Board of Directors in accordance with IRS regulations.

7. RULES AND REGULATIONS: USE RESTRICTIONS. The Board of Directors may, from time to time, adopt and amend administrative rules and regulations governing the operation of the Association and the use, occupancy, alteration, maintenance, transfer and appearance of units, common elements and limited common elements, subject to any limits contained in the Declaration of Condominium.. Copies of such rules and regulations shall be furnished to each unit owner. Any rule or regulation created and imposed by the Board must be reasonably related to the promotion of health, happiness and peace of mind of the unit owners and uniformly applied and enforced. Rules regarding unit use shall be adopted by the Board of Directors as set forth in Section 4.8 hereof.

8. COMPLIANCE AND DEFAULT: REMEDIES. In addition to the remedies provided elsewhere in the condominium documents, the following provisions shall apply:

8.1 Fines. The Board of Directors may levy reasonable fines against units whose owners commit violations of the Condominium Act, the provisions of the condominium documents or Association rules and regulations, or condone such violations by their family members, guests or lessees. The fines shall be in an amount deemed necessary by the Board to deter future violations, but in no event shall any fine exceed the maximum amounts allowed by law. The procedure for imposing such fines shall be as follows:

- (A) The party against whom the fine is sought to be levied shall be afforded an opportunity for hearing before a committee of at least three (3) other unit owners none of whom shall be

Draft 5 2/09/09

officers or directors or related to or employed by any officers or directors, after reasonable notice of not less than fourteen (14) days, and the notice shall include:

- (1) A statement of the date, time and place of the hearing;
 - (2) A statement of the provisions of the Declaration, Bylaws or rules which have allegedly been violated; and,
 - (3) A short and plain statement of the matters asserted by the Association; and,
- (B) The party against whom the fine may be levied shall have a reasonable opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved, and shall have an opportunity at the hearing to review, challenge, and respond to any material considered by the Association. The unit owner shall be the party ultimately responsible for payment of a fine, regardless of whether the fine relates to conduct by a tenant, family member, invitee or guest.

8.2 Mandatory Non-Binding Arbitration. In the event of any "dispute" in Section 718.1255 Florida Statutes, between a unit owner and the Association, the parties must submit the dispute to mandatory non-binding arbitration under the rules of the Division of Florida Land Sales, Condominiums, and Mobile Homes prior to filing suit over the disputed matters. Nothing herein shall be construed to require arbitration of disputes related to the levy or collection of fees or assessments.

8.3 Availability of Remedies. Each member, for himself, his heirs, successors and assigns, agrees to the foregoing provisions relating to default and abatement of violations regardless of the harshness of the remedy utilized by the Association and regardless of the availability of other legal remedies.
